My Fight For Air Rachel Davis Is Losing Herself:

My Fight for Air Rose Moten, 2014-12-14 Have you ever felt like you couldn't breathe? Like regardless of how tight you held on everything seemed to be slipping away? Rachel Davis is losing herself. Despite years of strategically carving out a meticulous existence everything she has defined her life by is being snatched away. Just when she thinks she has gotten a firm grip just when she thinks she has found solid ground the whole bottom falls out. This is Rachel's story her struggle her Fight for Air. After a series of unexpected events beginning with the death of her estranged mother Rachel Davis is in a paradox of running from her past and trying to embrace it at the same time. What she uncovers will ultimately result in self discovery or self destruction.

Forgetting to Be Afraid Wendy Davis, 2014-09-09 Wendy Davis has had her share of tough fights. Raised by a single mother with a ninth grade education Davis began working after school at age fourteen to contribute to the family finances. By the time she was nineteen she was living in a trailer park with a baby daughter and holding down two jobs. But rather than succumb to the cycle of poverty that threatened to overwhelm her Davis managed to attend community college and Texas Christian University graduate from Harvard Law School and go on to serve nine years on the Fort Worth City Council. She set her sights on the Texas state senate and in 2008 defeated a longtime GOP incumbent in a race widely considered one of the biggest recent upsets in Texas politics. But it wasn't until June 2013 that the rest of America was acquainted with the spirited Texas state senator. Davis became an overnight political sensation and a hero to women's rights supporters across the country when she single handedly filibustered Governor Rick Perry's sweeping bill that aimed to close all but five abortion clinics in her state. During her historic nearly thirteen hours on the floor of the state legislature Davis wasn't allowed to eat, drink, sit, use the bathroom, speak off topic or lean against any furniture. When it was over President Obama tweeted support to his millions of Twitter followers and Wendy Davis with her pink sneakers was suddenly a household name. She is now the first Democrat to make a serious run for governor of Texas in two decades and her personal story is a testament to the enduring power of the American dream and an inspiration to countless women looking for a way out of desperate circumstances. Told in her own refreshingly forthright voice *Forgetting to be Afraid* is the exhilarating and deeply moving story behind one of the nation's brightest young political stars.
