Smith, 2014-01-16 These are stories of the sort loved by true fans of the greatest of all detectives in which a client tells Holmes a strange tale drawing him into a baffling mystery Whether in fogbound London or deep in the English countryside these action-packed stories set during the 1880s and early 1890s before Holmes's disappearance at the Reichenbach Falls faithfully recreate the atmosphere of Conan Doyle's early Holmes stories This wonderful anthology brings together the best work of Denis O. Smith much admired for his new Sherlock Holmes stories including *A Hair's Breadth The Adventure of the Smiling Face* and *An Incident in Society* Ten of these stories have never previously been published in book form **The Still Collection** Justin Keith, 2011-05-17 Take a journey along the road of mystery Look behind you while you're looking forward and become the surviving light in this world so that you may see the shadows lurking in the dark and so that you may travel unnoticed **Outlook** Alfred Emanuel Smith, Francis Walton, 1880 *The History and Legends of Old Castles & Abbeys*, 1850 **The Christian Union** Henry Ward Beecher, 1881 **Islam in Performance** Ashis Sengupta, 2017-01-12 *Islam in Performance* brings together six contemporary plays from Bangladesh India and Pakistan that highlight the political performance of Islam in South Asia especially since the 1947 partition of the subcontinent The plays invite comparison with

one another engaging with the issue from perspectives of the three countries concerned Hindutva politics in India othering the Muslim population for electoral gains radical Islamization of Pakistan paralyzing political governance and encouraging jihadi violence and the ever increasing Islamist threat to Bangladesh's founding secular ethos Finally this anthology focuses on the suffering such exclusionary politics of religious nationalism has piled upon minorities across the region Widely performed but largely unpublished the plays with their geographic and stylistic range provide a good spectrum of some of the best writing in contemporary South Asian drama The editor's scholarly introduction offers a framework for studying the plays as both texts and performance pieces

Dimensions of Multicultural Counseling Sara E. Schwarzbaum, Anita Jones Thomas, 2008-01-31 I so thoroughly enjoyed your class and I thought the textbook was excellent The autobiographies were extremely beneficial to me as jumping off points to explore multicultural terms and concepts Your fair selection of individuals with such varied and complex backgrounds made it impossible for any of us to fall into pet political or ideological paradigms right or left Thank you again for such a good learning experience Victoria Herbert student at Claremont University I really liked the textbook The story format is superb because it allows you enter into ideas and concepts experientially This tends to make them much more comprehensible and enduring than definitions or third person explanations It also greatly increased my empathy for certain populations Rachel's story about the transgender child was extremely powerful in this regard Finally stories have a strong convincing quality It's hard to argue with someone's experience Stephen Schubert I liked it I actually enjoyed reading it which I can't always say about grad school textbooks I thought that it was easy to read and follow It gave valuable background information which tied in history and current events well This allowed me to more clearly understand society as a whole I really liked the vignettes looking at people's experiences from different cultures backgrounds etc it enabled me to better understand where people were coming from and their worldviews It gave thorough descriptions of groups theories and sociology psychology concepts This helped me to better understand people's struggles Julie McShane I actually thought it was one of the better textbooks I've had in the program specifically because of the life stories I always think case studies are very effective because your learning is within a real life context rather than relying on just theories and then trying to apply those theories to actual situations which can be difficult Lorraine Hayes Northeastern Illinois University Story is one of the most powerful ways to creating meaning This collection of life stories offers compelling narratives by individuals from different races ethnic groups religions sexual orientations and social classes By weaving these engaging stories with relevant theoretical topics this unique textbook provides deeper levels of understanding on how cultural factors influence identity personality worldview and mental health Using a content theme analysis Dimensions of Multicultural Counseling A Life Story Approach allows readers to easily grasp the relationship between multiple dimensions and the formation of identity Key Features and Benefits Combines theory and practice as each life story is followed by a clinical applications section which contain practical ideas for working with clients who have similar stories Allows for easy

classroom assignments since each section in the book can be read independently Devotes full chapters to topics not found in other textbooks Oppression and Resilience Sexual Orientation Multicultural Theory Offers useful toolbox activities which gives students additional resources for further exploration Praise for the authors precursory work Culture and Identity Life Stories for Counselors and Therapists is a brilliant revolution in our way of looking at culture and identity through an understanding of diverse people s diverse life stories Reading each character s story helps us learn how distinct each individual life is and how rich and diverse our world is It packs rich and diverse information derived from firsthand and intimate stories PsycCritiques Also available with this book An Instructor s Resource CD with supplemental materials for each chapter and a helpful internet study site including podcasts and videos offer further opportunities that examine and apply this mosaic of rich subject matter Intended Audience This core text may be used in upper level undergraduate in multicultural counseling psychology social work marriage and family therapy and human services as well as a text for advanced and doctoral courses on multicultural issues A valuable resource for understanding cultural factors in clinical work it will enhance the clinical skills of mental health providers who work with diverse client populations
