My Husband Is A Sissy:

My Husband Is a Sissy Mistress Jessica,2012-04-11 What if your husband no longer satisfied your needs in the bedroom you could get rid of him or you could make him into a little sissy this way you could keep him around for the household chores such as cleaning and laundry as you slowly took his manhood away from him and turned him into something far more less than a man This would free you up to enjoy the attentions of more worthy manly specimens knowing that the house would be clean when you got home You could dress him up so pretty and embarrass him in front of your friends and use him in ways that you probably had never thought of before Well that is exactly what I did and here is his story **What's a Woman to Do?** Victor McGlothlin,Victor McGlothlin,2004-09-17 When a corporate diva Janeen Hampton Gilliam meets the kind of dream man that ll make most women want to trade theirs in her struggling marriage with a philandering husband gets even harder to maintain Throw in trouble at work and a novel that tells the deepest secrets of her youth and Janeen has more on her plate than she can handle Her younger sister Sissy is having the time of her life working dirty real estate deals and enjoying her friendship with the young women who are paid mistresses to Dallas s powerful men But when the only man she s ever loved suddenly reappears he causes more drama than she could imagine And then there s Joyce the eldest of the three who spends most of her time praying for the sins of the other two while at the same time dealing with hidden secrets of her own When she sees a woman who looks suspiciously like Sissy in a compromising position with Janeen s wayward husband she has to decide which sister deserves her allegiance The combination of new and old secrets is explosive and it sets off a whole powder keg of emotions With so many scandalous issues hanging in the balance Janeen Sissy and Joyce are left wondering What s A Woman To Do **Another Husband Sissy Story** Mistress Jessica,2012-06-19 Well where do you start I mean I never started out with evil intentions in mind though I have to admit that was exactly where I ended up My name is Sally and I am a Dominant Wife I know a few people would consider me an abusive wife and I am fine with that except the only difference is that my husband actually enjoys me abusing him It wasn t always like that when I married Bob we were the typical married couple we went on vacations together and built our nest egg together and all that normal stuff We were married for about ten years before things started to change and I never once thought that I would be in the position I am in today Let us just say that I wear the pants in the family now and there is no way I am going to give up that power or control it became like a drug for me I never realized just how enjoyable it would be to be the power in the house but when I finally realized it I was addicted to it and I threw that power around with a heavy hand The simple fact that my husband submitted to me just made me even more power hungry it was like I could do no wrong no matter how much I pushed the boundaries of the new relationship that was developing between my husband and myself I always found him to be accepting of my authority In fact the more my husband capitulated to my wants desires and demands just made me want to do more and more I don t want to get to far ahead of myself because that will simply ruin the story for you and we don t want to do
