The Caxton Novels: My novel Edward Bulwer Lytton Baron Lytton, 1892

Moral Vision Marvin Olasky, 2024-02-13 A man's character shows its stamp repeatedly during a career In *The American Leadership Tradition* Olasky has many lessons to offer For the cynical he reminds us that it is not true that they all do it as the lives of Andrew Jackson and Grover Cleveland can attest For the nostalgic he reminds us that there have been principled men like George Washington alongside unprincipled ones like Henry Clay from the beginning After reading this book it will be impossible to argue that John Kennedy's womanizing reflected a side of him that had absolutely nothing to do with his presidency or that

Abraham Lincoln's rectitude was unconnected with his greatness Olasky shows that faithfulness in marriage may be no guarantee of faithfulness to the country but faithlessness is a leading indicator of trouble Leaders who break a large vow to one person find it easy to break relatively small vows to millions
