**Sects, Love, and Rock & Roll** Joel Heng Hartse, 2010-11-01 If this book moves I hope it moves in the way pop songs do There will be a lot of talk about songs but inasmuch as this is a book about listening to music it's also about how listening to music makes us who we are or at least about how it makes me who I am and so it is an exploration an idiosyncratic and opinionated and particular one of a self shaped by the oddly intersecting forces of the American evangelical Protestant church and the American popular music scene I don't mean for that to sound hoity toity if this were fifteen years ago I would say that this book was about Christian music and I would know exactly what I meant My purpose now is not only to talk about Christian music I am not here to explicate Christian music to explain why it exists and whether it is any good Instead think of what you're about to read as like an iPod playlist a collection of essays and thoughts on listening to music and having faith and how they have made me and a lot of people like me and maybe you Also there will be some jokes about Stryper From the Introduction

**Premonitions** AK Thompson, 2018-12-04 Bringing

together a decade's worth of AK Thompson's essays on the culture of revolt *Premonitions* offers an engaged and engaging assessment of contemporary radical politics Inspired by the writings of Walter Benjamin Thompson combines scholarship and grassroots grit to address themes ranging from violence and representation to Romanticism and death Whether uncovering the unrealized promise buried in mainstream cultural offerings or tracing an imperiled course toward the moment of reckoning the essays in *Premonitions* are provocations set to spark debate and kindle fires in the night **Think Like a Cat** Pam Johnson-Bennett, 2011-09-27 America's favorite cat behavior expert author of *Catwise* and *Cat vs Cat* offers the most complete resource for cat owners of all stripes now fully updated The queen of cat behavior Steve Dale author of *My Pet World* Think it's impossible to train a cat Think again By learning how to think like a cat you'll be amazed at just how easy it is Whether you are a veteran cat lover a brand new owner of a sweet kitten or the frustrated companion of a feline whose driving you crazy Pam Johnson Bennett will help you understand what makes your cat tick as well as scratch and purr Topics range from where to get a cat to securing a vet from basic health care to treating more serious problems choosing an irresistible scratching post and avoiding litterbox problems A comprehensive guide to cat care and training she helps you understand the instincts that guide feline behavior Using behavior modification and play therapy techniques she shares successful methods that will help you and your cat build a great relationship **Habit Stacking** Michelle Moore, 2022-08-19 127 Small Changes to Improve Your Health Wealth and Happiness *Habit Stacking* is the ultimate guide to developing multiple habits without requiring too much of your free time It's easy to think of a dozen ways to instantly improve your life Odds are these ideas will only take a few minutes apiece to complete The problem You might feel like there's not enough time to do all of them One solution can be found using the power of habit stacking The essence of habit stacking is to take a series of small changes like eating a piece of fruit or sending a loving text message to your significant other and build a ritual that you follow on a daily basis Habit stacking works because you eliminate the stress of trying to change too many things at once Your goal is to simply focus on a single routine that only takes about 15 to 30 minutes to complete Within this routine is a series of actions or small changes All you have to do is to create a checklist and follow it every single day In this book you will discover 127 small habits that can instantly improve your life Plus you'll discover how to create a simple routine managed by a checklist that you repeat on a daily basis Even better you'll discover a few tools that will keep you motivated and consistent So even if you're completely stressed out you'll still find the time and energy to complete these actions on a consistent basis S J SCOTT provides daily action plans for every area of your life health fitness work and personal relationships Unlike other personal development guides his content focuses on taking action So instead of reading overhyped strategies that rarely work in the real world you'll get information that can be immediately implemented *How to Fall in Love with Anyone* Mandy Len Catron, 2017-06-27 A beautifully written and well researched cultural criticism as well as an honest memoir Los Angeles Review of Books from the author of the popular New York Times essay *To Fall in Love with Anyone Do This* explores

the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy What really makes love last Does love ever work the way we say it does in movies and books and Facebook posts Or does obsessing over those love stories hurt our real life relationships When her parents divorced after a twenty eight year marriage and her own ten year relationship ended those were the questions that Mandy Len Catron wanted to answer In a series of candid vulnerable and wise essays that takes a closer look at what it means to love someone be loved and how we present our love to the world Catron melds science and emotion beautifully into a thoughtful and thought provoking meditation Bookpage She delves back to 1944 when her grandparents met in a coal mining town in Appalachia to her own dating life as a professor in Vancouver She uses biologists research into dopamine triggers to ask whether the need to love is an innate human drive She uses literary theory to show why we prefer certain kinds of love stories She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from And she tells the story of how she decided to test an experiment that she'd read about where the goal was to create intimacy between strangers using a list of thirty six questions and ended up in the surreal situation of having millions of people following her brand new relationship Perfect fodder for the romantic and the cynic in all of us Booklist How to Fall in Love with Anyone flips the script on love Clear eyed and full of heart it is mandatory reading for anyone coping with or curious about the challenges of contemporary courtship The Toronto Star A *Working Theory of Love* Scott Hutchins, 2013-08-27 An extraordinary debut novel that hits that sweet spot where humor and melancholy comfortably coexist Entertainment Weekly Before his brief marriage imploded Neill Bassett took a job feeding data into what could be the world's first sentient computer Only his attempt to give it language through the journals his father left behind after committing suicide has unexpected consequences Amidst this turmoil Neill meets Rachel a naive young woman escaping a troubled past and finds himself unexpectedly drawn to her and the possibilities she holds But as everything he thought about the past becomes uncertain every move forward feels impossible **How to Fix Copyright** William Patry, 2012-01-03 Do copyright laws directly cause people to create works they otherwise wouldn't create Do those laws directly put substantial amounts of money into authors pockets Does culture depend on copyright Are copyright laws a key driver of competitiveness and of the knowledge economy These are the key questions William Patry addresses in *How to Fix Copyright* We all share the goals of increasing creative works ensuring authors can make a decent living furthering culture and competitiveness and ensuring that knowledge is widely shared but what role does copyright law actually play in making these things come true in the real world Simply believing in lofty goals isn't enough If we want our goals to come true we must go beyond believing in them we must ensure they come true through empirical testing and adjustment Patry argues that laws must be consistent with prevailing markets and technologies because technologies play a large although not exclusive role in creating consumer demand markets then satisfy that demand Patry discusses how copyright laws arose out of eighteenth century markets and technology the most important characteristic of which was artificial scarcity Artificial

scarcity was created by the existence of a small number gatekeepers by relatively high barriers to entry and by analog limitations on copying Markets and technologies change in a symbiotic way Patry asserts New technologies create new demand requiring new business models The new markets created by the Internet and digital tools are the greatest ever Barriers to entry are low costs of production and distribution are low the reach is global and large sums of money can be made off of a multitude of small transactions Along with these new technologies and markets comes the democratization of creation digital abundance is replacing analog artificial scarcity The task of policymakers is to remake our copyright laws to fit our times our copyright laws based on the eighteenth century concept of physical copies gatekeepers and artificial scarcity must be replaced with laws based on access not ownership of physical goods creation by the masses and not by the few and global rather than regional markets Patry s view is that of a traditionalist who believes in the goals of copyright but insists that laws must match the times rather than fight against the present and the future

### **Confessions of a Mediocre Widow**

Catherine Tidd,2014-01-07 I spent my 11th wedding anniversary planning my husband s funeral If I could just figure out how to make that rhyme it would be the beginning of a great country song Involuntarily single That s the true story of where Catherine Tidd finds herself just three weeks after turning thirty one Widowed with three children under six years old a rusty resume no fix it skills and no clue how to live life as a widow Catherine can t help but be a little exasperated with her dead husband for leaving her to deal with life on her own Catherine s now in charge of her life in a way she never wanted to be in a way that would have most of us reeling and numb But she soon realizes that when you call the shots you can make pedicures one of the stages of grief and that moving forward might be more fun in a new sports car Her honest Confessions of a Mediocre Widow is a glimpse into the heartbreaking and sometimes humorous world of a young woman who learns that it is possible to find joy in an unexpected life

### **Always a**

**Bridesmaid (for Hire)** Jen Glantz,2017-02-07 In the tradition of Sloane Crosley Mindy Kaling and Katie Heaney a hilarious

and insightful memoir about one New York City Millennial's journey to find herself her dream career and true love all while juggling a truly unique job as the world's only professional bridesmaid. After moving to New York City in her mid twenties to pursue her dream of writing and not living on the Upper East Side of her parents house anymore Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties. What she got instead were a string of phone calls that began with Jen I have something exciting to tell you and ended with I'd be honored if you would be my bridesmaid. At first she was delighted but it wasn't long before she realized two things all of her assets were tied up in bridesmaid dresses and she herself was no closer to finding The One. She couldn't do much about the second thing though her mother would beg to differ but she could about the first. One slightly tipsy night Jen posted an ad on Craigslist advertising her services as a professional bridesmaid. When she woke up the next morning it had gone viral. What began as a half joke suddenly turned into a lifetime of adventure for Jen and more insight into the meaning of love than she was getting from OKCupid as she walked down the aisle at stranger after stranger's wedding. Fresh funny and surprisingly sweet. Always a Bridesmaid For Hire is an entertaining reminder that even if you don't have everything together you can still be a total boss or at the very least a BFF to another girl in need.

Schadenfreude, A Love Story Rebecca Schuman, 2017-02-07 A wild and wonderful ride from a comic memoirist who writes brilliantly about Germany and Germans and being young and insane just read it ok. Dave Barry Pulitzer Prize winning New York Times bestselling author of Best State Ever. You know that feeling you get watching the elevator doors slam shut just before your toxic coworker can step in. There's a word for this mix of malice and joy and the Germans invented it. It's Schadenfreude deriving pleasure from others' misfortune. Misfortune happens to be a specialty of Rebecca Schuman and this is great news for the Germans. For Rebecca adores the Vaterland with a single minded passion. Let's just say the affection isn't mutual. Schadenfreude is the story of a teenage Jewish intellectual who falls in love with a boy who breaks her heart a language that's nearly impossible to master a culture that's nihilistic but punctual and a landscape that's breathtaking when there's not a wall in the way. Rebecca is a misunderstood 90's teenager with a passion for Pearl Jam and Ethan Hawke circa Reality Bites until two men walk into her high school Civics class. Dylan Gellner with deep brown eyes and an even deeper soul and Franz Kafka hitching a ride in Dylan's backpack. These two men are the axe to the frozen sea that is Rebecca's spirit and what flows forth is a passion for all things German. At once a snapshot of a young woman finding herself and a country starting to stitch itself back together after nearly a century of war. Schadenfreude A Love Story is a hilarious and heartfelt memoir proving that sometimes the truest loves play hard to get. Spit out your schnitzel funny. Pamela Druckerman New York Times bestselling author of Bringing Up B b. *Modern Love, Revised and Updated* Daniel Jones, 2019-09-03 The most popular provocative and unforgettable essays from the past fifteen years of the New York Times Modern Love column including stories from the anthology series starring Tina Fey Andy Garcia Anne Hathaway Catherine Keener Dev Patel and John Slattery.
