Verizon Untethered Ivan Seidenberg, 2018-05-01 The Verizon leadership team stands apart from most leadership teams today in their willingness repeatedly to put the enterprise before the individual At first blush this might look like a hopelessly old fashioned notion in the age of the selfie Yet I would argue this is a trait that future leaders and boards of directors across industries would do well to understand and embrace Seidenberg not once but twice in the service of company shareholders and employees subordinated himself and put off taking sole leadership of the company to advance the enterprise s odds of success And many others in this story exhibited the same

trait to help build this industry leading enterprise They understood that the risk of not acting and thereby destroying value during a period of accelerating technological change and industry consolidation a situation faced by leadership teams around the world today was much greater than the risk of stepping in as No 2 or co CEO In my 50 years of experience it is a rare leadership team that will subordinate itself for the benefit of the industry customers and the company That principle that the company comes first the individual second is what will define successful leadership teams of the future Multiple leadership principles some new some timeless emerge from this narrative and will be of great use to the next generation of leaders across industries and around the world By taking a look at a company that successfully executed exponential transformation we can take the strategies of Verizon leaders and apply them to our own experiences Ram Charan

Side Chick Secrets Jessica M.,2019-03-08 A dusty thirsty chick who one keeps around strictly for beating up the hot box You usually have to gas her up by alluding to the possibility of a relationship in the near future in order to keep getting what s between her legs She s a throwaway broad who a nigga never intentionally expects to ever wife Side chicks are usually cool with their status as the jump off due to the fact that they either have no shame or they are merely blinded by love Urban dictionary com Egypt Paris and London James are three sisters doomed from the time they entered the world Being the side piece s children leads each of them on the road to discovering exactly who they are as women Egypt the oldest of the three sisters finds herself in a similar situation as her mother the side chick While she hated to believe that her boyfriend was anything like her father she continued a downhill relationship with the very fine sexy but also very married Moses Malone Moses Unlike her father Moses never rendered promises to leave his wife but Egypt plans to do anything necessary to leave her side chick status behind and become the main chick on the arm of her man Little does she know Moses wife Marlee is a force to be reckoned with and will not give up her man so easily Doing anything she has to do to ensure she never loses her husband Marlee is willing to use secrets from Moses past and present to make sure no one including the side chick steals what is rightfully hers Just like side piece status had a meaning to Egypt wifey status took reign in Marlee s eyes Paris James the middle sister hot headed determined and a fashion boutique owner was hell on wheels What happened between her mother and father left her drained disgusted and bitter She was hell bent on never being anyone s side chick and in order to make sure of it she swore off men period Promising herself she d never deal with a man and risk dealing with heartbreak like her father had inflicted on their mother she lived her life dating and sexing women only Would this secure her heart or will she discover that even females knew how to play the same games as niggas did London James the baby girl of the bunch was always sheltered and protected by her older siblings but unbeknownst to them just like the fall out of their parents wreaked havoc on them it did the same to

her Keeping her personal life low key from her siblings and grandparents London found herself swooped in by an older man who plays on her naivety and her innocence While everyone deals with their own issues the baby of the family deals with inner demons and outward sins in private driving her to make some choices that no young girl should have to face alone While each of these young women struggle to find out who they are as women everything goes back to the choices made in their childhood Were they old enough to know better and do better now Yes they were but what they saw and experienced in their daily lives had molded them into what they became And what each of them saw in their early years was their mother put on the back burner for their father s wife and other kids In this nail biting gripping on the edge urban tale of three sisters who based what they knew about love from their side chick mother and unfaithful father they learn quickly that their past can make or break them Secrets lies and betrayal will either rip them apart or make them stick together like glue Let s take a ride and see how side chick secrets can change lives especially when you want someone else s man **At the Altar of the**

Bottom Line Tom Juravich, 2009 Based on extensive interviews with workers in four different industries this book takes us behind the statistics of the economic collapse and into the lives of Americans who are struggling to make ends meet and support their families Tom Juravich combines oral history with social and economic analysis to provide a vivid account of the multiple challenges presented in today s workplaces At a Verizon call center in Andover Massachusetts customer service reps find themselves overwhelmed by the pace of work and the constant monitoring They describe a daily routine marked by regimentation intense pressure to sell and unrelenting stress In New Bedford undocumented Guatemalans in the fish processing industry are fired if they don t work fast enough cheated out of wages and mistreated by supervisors Juravich describes a brutal immigration raid by U S Immigration and Customs Enforcement that divided families and forced workers further underground Juravich then takes us inside the operating rooms at the Boston Medical Center where hospital consolidation has brought a new bottom line philosophy that has fundamentally altered the way patient care is delivered Surgery takes place almost non stop driving some nurses from their chosen profession and leaving those who remain exhausted The final case study looks at the shuttering of the Jones Beloit plant an internationally known manufacturer of machinery for the paper industry Despite the best efforts of highly skilled and productive workers to save their plant it was abruptly closed and they were abandoned after their CEO recklessly became involved in a shaky foreign investment Juravich argues that workers face a series of paradoxes in the contemporary American workplace They can no longer assume that large established firms create good jobs The new working conditions often resemble what was traditionally associated with marginal and low wage employers He concludes that we must bring a discussion about the quality of jobs back into the public discourse and that a good jobs strategy is a fundamental building block to economic recovery Workers voices are front and center in this highly readable book It includes striking photographs by Paul Shoul and a CD that presents a series of audio documentaries with excerpts from the interviews as well as four original songs written and performed by Juravich

Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
