Ripiye, 2012-08-08 Religious belief has over the years had a great influence on the status and history of women especially in the ministry From the earliest days of the New Testament Church and up till present most Christians have misinterpreted the scriptures on the basis of 1 Timothy 2 11 12 which says Let a woman learn in silence with all submissiveness I permit no woman to teach or to have authority over men she is to keep silent This passage has been used by many churches to place certain restrictions on the ministry of women This has given rise to many debates in the church and restricted many women from fulfilling their leadership call It is therefore important to dispel the myths about the role of women and open our eyes to what the Bible really says concerning this This is not about having dominance but every Christian needs to flow in the Holy Spirit to enable their gifts and calling to bring the kingdom of God to earth This book contains the study of Seventy Two Women of the Bible It gives us the details of their lives roles character and influence It also shows how God used them in the past and still uses us as women to advance His kingdom on earth The knowledge of the scripture is imperative. The book also shows how to build confidence in the word of God releasing ourselves for the Holy Spirit to flow through us so that the knowledge of the scriptures can operate in our purpose gifts talents and calling in Christ The authors writing is well documented based on revelation of the word her leadership role over the years and from her studies of the role of women in the bible that have span for over 3 decades The book brings honest and scriptural truth on

crucial questions regarding to leadership and teaching role of women in the church It shows how Jesus related and affirms the role of women in the kingdom This book is highly recommended for all Christians who are passionate about the true teachings of the scriptures and the roles God expects men and women to play in unity for the advancement of the kingdom

Men in the Pulpit, Women in the Pew? H. Jurgens Hendriks, Elna Mouton, L. D Hansen, Elisabet Le Roux, 2012-07-01 Men in the pulpit women in the pew Addressing gender inequality in Africa is that rarest of gems a work that takes a fresh look at familiar biblical teachings and cause us to question what we have been accepting as a matter of course for so long Book Every Man and Woman Needs to Read Adriano Leonel, 2025-07-15 The Book Every Man and Woman Needs to Read You might even try to ignore this book but it will resonate in your conscience It s not a book It s a mirror A slap in the face with love A silent scream that cuts through decades of speeches banners and illusions While the world applauds the woman who doesn't need anyone millions sleep with their cell phones in their hands and empty hearts. While people talk about empowerment the number of lonely unhappy and emotionally exhausted women explodes in silence While people demand respect love suffocates in homes at war This book is a game changer No whining No filters No fear of hurting because the truth hurts but then heals Here you ll face the most uncomfortable chapters you ve ever read You ll understand why no man stays Why no one listens to you anymore Why your independence has turned into arrogance And why true love doesn t want to live on a battlefield Prepare yourself For internal confrontations For harsh revelations To understand that submission isn t slavery it s wisdom That being sweet isn t being weak it s being irresistible That real men still exist they just don t want to live in hell anymore This book was written by someone who loves the truth And offered it free to the world because they believe there s still time Time to heal To rebuild To become a real woman again the kind who silences the world when they enter a room simply by the lightness they carry The Book Every Man and Woman Needs to Read isn t just another book It s a reconnection with your essence An invitation to humility And a chance to not die with a heart full of pride but empty of love
