

When you tap on the text box, the keyboard with editing tools will appear. You will find all of the basic editing tools above the keyboard. You can add links, bullet points and even hyperlinks.

One of my favorite parts of the toolbar is the "To Do" box. If you are making lists, these little guys are perfect for Evernote. When I create lesson plans, the

checkboxes can be used for certain

benchmarks I want my students to reach. It's a nice little addition to the tool bar that allows any user to create an interactive checklist.

These are simple tools for the average user to create their notes how they want them.
