Strangers in the House William R. Beer, 2017-07-28 If present trends in divorce and remarriage continue before the end of the century the stepfamily will outnumber all other types of family in the United States In 1980 one out of five children under the age of eight were living in stepfamilies and there were at least two million households in which the children were relation only by marriage stepsiblings or who shared only one parent in common half siblings How are these new kinds of family relationships working out In particular how are children faring in these kinds of families There are a number of books

on the successes and difficulties of second marriages that involve children but most of these look at problems from the perspective of one or both spouses Popular literature in particular had emphasized the problem of the new spouse who inherits a family without really focusing on the relationships among stepsiblings *Strangers in the House* focuses on the children of these marriages both stepsiblings and half siblings and the relationships among them with the parents It is a report on how they are faring drawn from the results of original research by the author case studies of stepfamilies interviews with stepsiblings and half siblings a survey of members of the Stepfamily Association of America and participation in three step family self help groups The result is a vivid portrait of nontraditional family constellations that provides an overview of changes in American families the increased divorce and remarriage rates and how stepfamilies differ from other families Beer identifies major problem areas in stepsibling relations and shows how youngsters are adapting to these special situations He examines classic rivalries over love attention space and property shows how these are worked out within these special circumstances The book concludes with an overview of the dynamics of sibling relations in these special families and analyzes how the stepsibling subsystem fits into the large

City Time David Campbell, Jarrod Shanahan, 2025-01-07 A unique insider perspective of daily life in New York City's most notorious house of correction While most people behind bars at Rikers Island are detainees awaiting the settlement of their cases a smaller population have already been convicted and are serving sentences deemed too short for the state prison system These stints are called city time The sentences range from a few days to a year and are generally served within large open dormitories lacking in privacy and sanitation Within these spaces incarcerated people reproduce an elaborate set of rules rituals and relationships as a means both of survival and of giving meaning to the time taken from them Written by David Campbell and Jarrod Shanahan who both served sentences at Rikers *City Time* reflects its authors personal experiences and observations of short stay incarceration to present a nuanced and vivid account of a social world kept locked away from the public eye The authors reconstruct the daily realities of sanitation nourishment recreation work and other necessary activities and emphasize the complex interpersonal relationships that emerge in response to city time Simultaneously they paint a grim and urgent picture of structural racism class violence and the disastrous lack of mental health and substance abuse resources for poor New Yorkers who are shuttled in and out of city time sentences as frequent flyers Beginning with the authors own processes of intake and ending with the ritual of late night release *City Time* takes readers behind the splashy headlines to depict in intimately human terms the rich and variegated social world unfolding at this very moment on Rikers Island

Culture, Society and Sexuality Richard Guy Parker, Peter Aggleton, 1999 This work offers an introduction to the central debates in sexuality research Among the issues examined are the social and cultural dimensions of sex human sexuality and sex research

Memory, Imagination, Justice David Gurnham, 2016-04-22 Through the creative use of literary analysis *Memory Imagination Justice* provides a critical and highly original discussion of contemporary topics in criminal law and bioethics Author David Gurnham uses popular and

classical texts by authors including Shakespeare Dickens Euripides Kafka the Brothers Grimm Huxley and Margaret Atwood to shed fresh light on such controversial legal and ethical issues as passionate homicide life sentences child pornography and genetic enhancement Gurnham's overarching theme is the role of memory and imagination in shaping legal and ethical attitudes Along this line this book examines the ways in which past wrongs are remembered and may be forcefully responded to both by the criminal justice system itself and also by individuals responding to what they regard as gross insults threats or personal violations The volume further discusses the role of imagination as a creative force behind legal reform in terms of the definition of criminal behaviour and the possible future development of the law These ideas provide a useful and highly original perspective on contemporary issues of crime and society as they resonate both in legal and literary discussion

Balkan Popular Culture and the Ottoman Ecumene Donna A. Buchanan, 2007-10-01 Since the early twentieth century balkanization has signified the often militant fracturing of territories states or groups along ethnic religious and linguistic divides Yet the remarkable similarities found among contemporary Balkan popular music reveal the region as the site of a thriving creative dialogue and interchange The eclectic interweaving of stylistic features evidenced by Albanian commercial folk music Anatolian pop Bosnian sevdah rock Bulgarian pop folk Greek ethniki mousike Romanian muzica orientala Serbian turbo folk and Turkish arabesk to name a few points to an emergent regional popular culture circuit extending from southeastern Europe through Greece and Turkey While this circuit is predicated upon older cultural confluences from a shared Ottoman heritage it also has taken shape in active counterpoint with a variety of regional political discourses Containing eleven ethnographic case studies *Balkan Popular Culture and the Ottoman Ecumene* Music Image and Regional Political Discourse examines the interplay between the musicians and popular music styles of the Balkan states during the late 1990s These case studies each written by an established regional expert encompass a geographical scope that includes Albania Bosnia and Herzegovina Bulgaria the Republic of Macedonia Croatia Slovenia Romania Greece Turkey Serbia and Montenegro The book is accompanied by a VCD that contains a photo gallery sound files and music video excerpts

Strip Catlyn Ladd, 2018-06-29 The exotic dancer exists in popular culture most often as scenery When she is allowed to speak she does so to the male protagonist and is either the conniving woman attempting to relieve the hero of the cash in his wallet or fallen woman in need of rescue She is rarely named existing only as a backdrop red lights flashing on pliant flesh like a crime scene She is white blonde slim with large breasts She is stripper Barbie plastic porn Strip brings nuance to a

subject that is often overlooked ignored or otherwise silenced To all readers of human culture interested in the anthropology of what it means to be a sex object in modern America this book is about much more than stripping It argues that gentlemen's clubs are a microcosm that distills the female experience of patriarchal culture On the body of woman is written male desire In the eyes of woman gazing at the male culture can truly be seen **Libidinal Currents** Joseph Allen

Boone,1998-02-28 From Kate Chopin and Virginia Woolf to William Faulkner and Doris Lessing modern fiction surges with libidinal currents The most powerful of these fictions are not merely about sex rather they attempt to incorporate the workings of eros into their narrative forms In doing so Joseph Allen Boone argues these modern fictions of sexuality create a politics and poetics of the perverse with the power to transform how we think about and read modernism Challenging overarching theories of the novel by carefully mapping the historical contexts that have influenced modern experimental narratives Boone constructs a model for interpreting sexuality that reaches from Freud's theory of the libidinal instincts to Foucault's theory of sexual discourse The most ambitious study yet written on the links between literary modernity and the psychology of sex Boone's **Libidinal Currents** will be a landmark book in the study of modernist fiction gay studies queer theory feminist criticism and studies in sexuality and gender **Emotion and Reproduction** L.
