ever paid to S Isidore Abbot of Pelusium it seems not unlikely that S Isidore was his instructor during some part of his early life S Isidore alludes to some especial tie in one of his brief letters to S Cyril when Archbishop Near the beginning S Isidore says If I be your father as you say I be or if I be your son as I know I am seeing that you hold the chair of S Mark one volume being allotted to those which S Cyril thought could in any way be adapted as types of our Lord the other to the rest as being types of the church The commentaries on Isaiah and the Minor Prophets and the Books against the Emperor Julian probably belong to this period Besides these S Cyril following the example of his great predecessor S Athanasius wrote two Books against the Arians first the Thesaurus in which S Cyril brought to bear his knowledge of Aristotle then the de Trinitate which was written though not published till later before A D 424 In his Paschal homily for that year A D 424 S Cyril also speaks of the Eternal Generation of the SON and towards the close of the homily he opposes the Arian terms Generate Ingenerate A D 429 the circulation of tracts of Nestorius in Egypt occasioned him first to write on the heresy of Nestorius There can be little doubt that the powerful mind of S Leo who was the soul of the Council of Chalcedon was in his young days when S Celestine s Archdeacon in 429 taught through those writings as S Cyril himself had been taught by the writings of S Athanasius

Cyril of Alexandria's Refutations Cyril of Alexandria,2018-10-23 Cyril of Alexandria was one of the earliest Christian apologetics as he fought against many types of false teaching varying in degree Although the teachings that he was very carefully refuting were not really Gnostic in thought it is easy to see the Gnostic areas of influence that many of this opponents had These various books collected here are presented to make it easier not only to read the truth as was needed back in the early church but also the arguments set forth by Cyril so that we can learn from the past and not fall into the same schools of false teaching today [Five Tomes Against Nestorius - Primary Source Edition](#) Saint Cyril,2013-11 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book
