Fix You English Edition:

Fix You Carrie Elks, 2016-12-13 *You Don't Look Sick!, Second Edition* Steven S. Overman, Joy H. Selak, 2012-12-17 *You Don't Look Sick* chronicles one person's true life story of illness and her physicians' compassionate commentary as they journey through the four stages of chronic illness: Getting Sick, Being Sick, Grief and Acceptance, and Living Well. The authors address such practical aspects as hiring a doctor, managing chronic pain, coping with grief and loss of function, winning battles with health and disability insurers, countering the social bias against the chronically ill, and recognizing the limitations of chronic illness care and charting a path for change and more. This warmhearted resource helps you focus on building a meaningful life as opposed to a life of frustration and fear. This book is thoroughly revised and updated based upon feedback from readers of the first edition. The authors have added a new section on Grief and Acceptance, address the passage of the Affordable Health Care Act, and Dr. Overman has added practical travel tips that bring organization and focus to each phase of the journey. Designed for people at all stages of the chronic illness journey, this book is also illuminating for caregivers and loved ones.

Fix You Beck Anderson, 2015-03-03 RITA finalist for Best First Book and Best Contemporary Romance. *Fix You* is a romantic read about a widowed single mother and a Hollywood star immediately drawn to each other despite the odds. When Kelly Reynolds's husband died two years ago, he left her to raise their two young boys. She's barely pieced herself back together and takes refuge in her routine: running her kids around town and running the trails near their Idaho home. A chance encounter on a trail run brings famous actor Andy Pettigrew into her life. He's clearly interested in her, but Kelly hates risk, and a love affair with Andrew is certainly tempting fate. She doesn't fit into his Hollywood world. She doesn't own a pair of Louboutins, and she couldn't walk five steps in them if she did. Andrew oozes cool. She reeks of dork. Despite this, they click. But Andrew struggles with the pressures of his fame, and Kelly's hold on a so-called normal life is already tenuous. So as much as she wants to indulge the fantasy, she doesn't know how either of them is supposed to cope with stalkerazzi and tweet happy fans with camera phones. Especially when she and Andrew both have secrets that seem impossible to keep.
