travels at the turn of the century Mario Garrido Espinosa,2020-03-06 Five travel stories told with a lot of humor and irony

Five chronicles of a time when travelers did not carry a digital camera with memory for thousands of photos nor did they carry a mobile phone with an infinite number of functions capable of resolving any unforeseen event. The reader will be immersed in an initiatory journey in passages that are pure adventure and will remember an unprecedented historical event that occurred at the same time as one of these journeys. All these episodes occurred as we left the 20th century behind and began to experience a radical change towards a use of technology so extreme that it changed the way we traveled. As we reached that point we kept looking at a map we didn't use the GPS and we looked for a phone booth to call home. Dare to relive all those sensations with these stories after all travel is the best money can buy right.

Leo Deon Meyer, 2025-02-18. Deon Meyer is one of the unsung masters. Michael Connelly. Deon Meyer's name on the cover is a guarantee of crime writing at its best. Tess Gerritsen. In a corrupt South Africa the criminals are as likely to be in government or even in the police as on the streets. Two decorated detectives must put their careers on the line to find the link between three seemingly unrelated homicides in the latest thriller in the 1 internationally bestselling series. Detectives Benny Griessel and Vaughn Cupido are languishing in Stellenbosch. Run of the mill police work in the leafy university town is a far cry from their previous life in Cape Town fighting crime and government corruption at the highest level. Then a student is found dead on a mountain trail and the key suspect a local businessman is found murdered in what looks like a professional hit delivering a message suffocated by fast action filler foam sprayed down his throat. On the other side of the country a beautiful wildlife guide is recruited by a group of special forces soldiers to act as a honeytrap part of a dangerous multi-million dollar heist that goes tragically wrong. A single link connects the murdered businessman to the special forces making Benny and Vaughn's case all the more mysterious. Another former soldier is soon killed as is an agent.

of the country's disgraced former president and then the heist crew reorganizes with an even more audacious theft in mind. Following leads as they fly at them not sure exactly who to trust and struggling to connect the dots as the motives don't seem to add up. Benny and Vaughn find their case increasingly points to the corruption polluting the country. They know the clock is ticking and Benny also has to be at the altar on time for his anxiously anticipated wedding day. **Daily Graphic** Elvis Aryeh, 2000-02-09

A Meander in Menorca David M. Addison, 2006-03-02 Music music music Right from the start of his package holiday to Menorca music plagues and obsesses the author. But let's face it as Iona his long suffering wife can testify he's a pretty intolerant sort of a person. Seen through his eyes this book provides a sideways look at Menorca a sort of rough guide to the island but not nearly as rough as his next door neighbours in his holiday apartment. Informative but at the same time witty and amusing. **A Meander in Menorca** is an idiosyncratic commentary on this little island from its earliest inhabitants the ancient Talayotic culture to the present day tourists some of whom have no culture at all. **Verse, Metre**
