Things to see and do...

Bokor Mountain (The Hill). A National Park, construction site and area of historic interest. Tours can be sorted through the many tour operators or your guesthouse, although you can go up alone by hiring a moto. Atop the hill are the ruins of both the French built resort and the Khmer re-vamp of the site in the 60's. The story starts in 1917 when the French founders started the construction of the road, it took six years to complete and claimed well over a thousand lives. The "Bokor Palace Hotel" opened in 1925 and catered for the wealthy, although it was never used as a casino. In 1940 it closed and stayed so until 1959 when Sihanouk (twice king, former

prime minister and world record holder) made the decision to make the site a world-class resort. In 1962 the hill re-opened with the added attraction of Cambodia's first casino in what was called the Kiri hotel near the reservoir, now re-vamped and in use as staff quarters. The Bokor Palace hotel has also re-opened, this time its a six star affair and very nice it looks too, but so it should for \$400 a night in one of the 36 rooms. Sokha Hotels are also building three new hotels and casinos on the hill, one is already open and has 500 rooms with 500 staff. One day I hope to see those rooms filled! They also plan to open a huge housing estate with a prospective population of over 100,000. So lets hope it's third time lucky for the hill cos till now it hasn't made buck one!
