Mawson's Mission Lora Marlene Mawson,2020-07-28 Before 1968 women s athletics in higher education meant playdays and sports days That spring when the Division of Girls and Women in Sports announced that national collegiate sports championships for women would begin in 1969 Marlene Mawson a new hire on the physical education faculty at the University of Kansas was charged with establishing a women s athletics program I was on my own Mawson recalls because there was no precedent for creating a women s athletics program with a meager budget That meant planning sports competition schedules staffing coaches organizing policies and procedures for coaches and athletes coordinating practice schedules budgeting and directing the new KU intercollegiate sports program for women without intervention or guidance In their first decade KU women s teams competed in national championships in volleyball basketball softball and gymnastics In this book Mawson who was inducted into the KU Athletics Hall of Fame in 2009 describes her remarkable career from her early years in Missouri to her retirement With behind the scenes views and insights that reflect a lifetime s experience her memoir weaves together the history of the development of women s athletics at the University of Kansas and the story of the birth of women s intercollegiate athletics across the United States from the Olympic Development Committee to Title IX to the NCAA It is an engaging account of groundbreaking personal achievement by a woman in the world of college sports and a stirring record of an extraordinary but little documented decade in the evolution of women s athletics *Phog* Scott Morrow Johnson,2019-11-01 Remembered in name but underappreciated in legacy Forrest Phog Allen arguably influenced the game of basketball more than anyone else In the first half of the twentieth century Allen took basketball from a gentlemanly indoor recreational pastime to the competitive game that would become a worldwide sport Succeeding James Naismith as the University of Kansas s basketball coach in 1907 Allen led the Jayhawks for thirty nine seasons and holds the record for most wins at that school with 590 He also helped create the NCAA tournament and brought basketball to the Olympics Allen changed the way the game is played coached marketed and presented Scott Morrow Johnson reveals Allen as a master recruiter a transformative coach and a visionary basketball mind Adolph Rupp Dean Smith Wilt Chamberlain and many

others benefited from Allen's knowledge of and passion for the game. But Johnson also delves into Allen's occasionally tumultuous relationships with Naismith, the NCAA, and University of Kansas administrators. Phog: The Most Influential Man in Basketball chronicles this complex man's life, telling for the first time the full story of the man whose name is synonymous with Kansas basketball and with the game itself.
