early life of our first president George Washington John Adams John Quincy Adams and the making of our nation's first political empire the humble beginnings of our greatest president Abraham Lincoln the privileged upbringing of Franklin Delano Roosevelt the ambitious rise of John Fitzgerald Kennedy and the quiet dynasty led by George H W Bush and his son George W Bush Throughout The Raising of a President readers will find that the circumstances and events that would destroy most children were often the very things that sparked greatness in our nation's future leaders These are the stories of the presidents' parents but in a truer sense they are the stories of the presidents themselves from a perspective that is long overdue
