Bolger, Robert C.

Coburn, 2019-08-22 Can the meaning of religious language be separated from its use In *Religious Language Meaning and Use* Robert Bolger and Robert Coburn address what has become a contentious though often overlooked account of the relationship between religious belief and religious practice Through philosophical argumentation and by means of a variety of sermon like essays on religious topics this book seeks to return religion to the place in which the meaning and practical impact of its beliefs become inseparable from the life of the believer Part I begins by considering through the loose lens of Wittgenstein s philosophical method how religious language has been misunderstood leading straightway to a variety of challenges and conceptual confusions Part II presents previously unpublished essays written by Robert C Coburn who has for over 50 years been at the forefront of the study of metaphysics and philosophy of religion Making a compelling case for a religious practice that avoids trivializing religious belief this book promises to be a corrective to those who see faith as nothing more than ethics in disguise and to those metaphysicians who see faith as a set of beliefs The Priest and Levite as

Temple Representatives Michael Blythe, 2023-07-07 The parable of the good Samaritan is well known yet scholarship has not plumbed the depths of its meaning within its first century Palestinian context For the majority of Christian history the parable has suffered either from extreme allegorical treatments or from unimaginative readings limiting the parable to a single point example story of virtue A creative reading employing social and historical methods generates a refreshing telling of the story within Jesus s context whereby each variable from the Samaritan to the priest and even the innkeeper takes on representative forms not only indicative of widespread concerns from Jesus s audience but also becoming symbols of the eschatological age when the new temple supplants the old You Are Beautiful and You Are Alone Jennifer Otter

Bickerdike, 2021-08-10 A new definitive biography of the iconic and mysterious singer Warhol superstar Velvet Underground collaborator influential solo artist Nico *YOU ARE BEAUTIFUL AND YOU ARE ALONE* is a new biography of Nico the

mysterious singer best known for her work with the Velvet Underground and her solo album Chelsea Girl Her life is tangled in myth much of it of her own invention Rock and roll cultural historian Jennifer Bickerdike delivers a definitive book that unravels the story while making a convincing case for Nico s enduring importance Over the course of her career Nico was an ever evolving myth art film house actress highly coveted fashion model Dietrich of Punk Femme Fatale Chelsea Girl Garbo of Goth The Last Bohemian Heroin Junkie Lester Bangs described her as a true enigma At age 27 Nico became Andy Warhol s newest Superstar featuring in his one commercial break out hit film Chelsea Girls and garnering the position of chanteuse for the Velvet Underground It wasn t Nico s musical chops which got her the gig it was her striking beauty Her seeming otherworldly and unattainable presence was further amplified by her reputation for dating rock stars Brian Jones Bob Dylan Jim Morrison among others She became famous for being Nico Yet Nico s talent and her contribution to rock culture are often overlooked She spent most of her career as a solo artist on the road determined to make music seemingly against all the odds enduring empty concert halls abusive fans and the often perilous reality of being an ageing artist and drug addict She created mesmerizing and unique projects that inspired a generation of artists including Henry Rollins Morrissey Siouxsie Sioux and the Banshees and Iggy Pop Drawing on the archives at the Andy Warhol Museum and at Nico s record labels various private collections and rarely seen footage and featuring exclusive new interviews from those who knew her best including Iggy Pop and Danny Fields and those inspired by her legacy YOU ARE BEAUTIFUL AND YOU ARE ALONE reveals the complicated often compromised self destructive and always head strong woman behind the one dimensional myths

Living More Human(e)ly? Rebecca Leong,2025-04-22 Does it really matter who one chooses to marry and how one makes a choice as to who to marry or is it basically true that you always marry the wrong person Was Jane Austen right in her portrayals of couples marrying for love

for comfort or for both What about arranged marriages Does the one exist How about soulmates Will getting involved in casual sex or hook up culture affect one's chances of eventually realizing happy lifelong monogamy Are promoters of purity culture basically right that their approach will help lead to happy lasting marriages Can there be a way forward through the culture wars Are dating apps any good Virtue ethics is sometimes drawn upon for a dependable approach to couple relationships But what does this approach consist of and which virtues as there are potentially very many should one focus on particularly when navigating dating culture in contemporary contexts What light might theology history and the human sciences including sociology and psychology shed on these matters Rebecca Leong offers findings from wide ranging interdisciplinary studies that address these questions and more in the process developing a five fold ethic and further building blocks for better approaches to dating in contemporary contexts

International Conflict and Cyberspace Superiority William D. Bryant, 2015-07-30 This book examines cyberspace superiority in nation state conflict from both a theoretical and a practical perspective This volume analyses superiority concepts from the domains of land maritime and air to build a model that can be applied to cyberspace Eight different cyberspace conflicts between nation states are examined and the resulting analysis is combined with theoretical concepts to present the reader with a conclusion Case studies include the conflict between Russia and Estonia 2007 North Korea and the US and South Korea 2009 and Saudi Arabia and Iran in the Aramco attack 2012 The book uses these case studies to examine cyberspace superiority as an analytical framework to understand conflict in this domain between nation states Furthermore the book makes the important distinction between local and universal domain superiority and presents a unique model to relate this superiority in all domains as well as a more detailed model of local superiority in cyberspace Through examining the eight case studies the book develops a rigorous system to measure the amount of cyberspace superiority achieved by a combatant in a conflict and seeks to reveal if cyberspace superiority proves to be a significant advantage for military operations at the tactical operational and strategic levels This book will be of much interest to students of cyber conflict strategic studies national security foreign policy and IR in general
