Nikon's new D3100 is a perfect entry-level DSLR. This book is for anyone who upgrades from their point-and-shoot or for anyone who wants to jump into photography with the control and capabilities of a DSLR but without the high price. There's the manual, of course, as well as competing books, and while they all explain, often in 400 pages, what the camera can do, none of them shows exactly how to use the camera to create great images. This book has one goal: to teach D3100 owners how to make great shots using their Nikon camera. It teaches how to use the D3100 to create the type of photos that
