## **Meaner Than Fiction Crime Shots:**

*Meaner Than Fiction* Lindy Cameron,2018-11-01 A country GP found himself in the wrong place at the wrong time when an angry patient went looking for someone with whom he could share his pain Dr Andrew Taylor was working an ordinary Saturday morning shift when he was shot repeatedly by an armed and deluded man who simply needed to show any doctor he could find just how upset he was with the world at large Random shootings like this are unusual in Australia and the bizarre unfairness of what happened to Dr Taylor did not end on the day he was shot Welcome to crime shots short sharp true crime stories from Australia s past and present **Without Firing a Shot** Ron Walker,2010-10-28 One of the major hindrances to the advancement of mankind is the subliminal mind control of political correctness or PC Once thought of as merely a method by which society could become more sensitive to the needs of others PC has become a brainwashing technique used by those who wish to control not only our minds but also our actions Those who use PC in this manner prey on natural human compassions to further their own hidden agendas They will advance their agendas by almost any means necessary including the use of false accusations and outright lies Far too often those agendas have very little if anything to do with the problems they claim to solve In most cases they ultimately harm the very people they claim to help Without Firing a Shot is not about trading one form of mind control for another Using real life examples and in depth analysis author Ron Walker explains how to look for the signs of the shell game known as political correctness in order to better understand the world in which we live Whether you agree with his opinions or not is irrelevant Ron s thought provoking commentary challenges and encourages you to discover a method by which you can free yourself from preconceived political ideologies research the facts with an open mind discover the truth and draw your own conclusions whatever they may be
