Community Gerard Delanty,2018-03-29 The increasing atomization of modern society has been accompanied by an enduring nostalgia for the idea of community as a source of security and belonging in an increasingly insecure world Far from disappearing community has been revived by transnationalism and by new kinds of individualism Gerard Delanty begins this stimulating critical introduction to the concept with an analysis of the origins of the idea of community in Western utopian thought and as a theme in classical sociology and anthropology He goes on to chart the resurgence of the idea within communitarian thought and postmodern philosophies the complications and critiques of multiculturalism and new manifestations of community within a society where changing modes of communication produce both fragmentation and possibilities of new social bonds Contemporary community he argues is essentially a communication community based on belonging and sharing and can be a powerful voice of political opposition The communities of today are less spatially bounded than those of the past but they cannot dispense with the need for a sense of belonging The communicative ties and cultural structures of contemporary societies have opened up numerous possibilities for belonging based on religion

nationalism ethnicity lifestyle and gender Phenomenology and the Horizon of Experience Joseph Rivera,2021-12-30 This book explores the threshold between phenomenology and lived religion in dialogue with three French luminaries Michel Henry Jean Luc Marion and Jean Yves Lacoste Through close reading and critical analysis each chapter touches on how a liturgical and ritual setting or a spiritual vision of the body can shape and ultimately structure the experience of an individual s surrounding world The volume advances debate about the scope and limits of the phenomenological analysis of religious themes and disturbs the assumption that theology and phenomenology are incapable of constructive interdisciplinary dialogue
