Corporate Governance, Capital Markets, and Capital Budgeting Baliira Kalyebara, Sardar M. N. Islam, 2013-07-31 The primary contribution of this book is to integrate the important disciplines which simultaneously impact the investment appraisal process The book presents a study that develops a new approach to investment appraisal which uses a multiple objective linear programming MOLP model to integrate the selected disciplines which include capital markets corporate governance and capital budgeting The research covers two case studies one in the e commerce sector and another in the airline industry in which the above disciplines are integrated Readers from the areas of corporate governance regulation and accounting would find the survey of different approaches and the new integrated optimization approach particularly useful

Corporate Citizen Oonagh E. Fitzgerald, 2020-10-06 The contributors to Corporate Citizen explore the legal frameworks and standards of conduct for multinational corporations In a globalized world governed by domestic and international law these corporations can be everywhere and nowhere at once reaping financial benefits and enjoying the protections of investor state arbitration but rarely being held accountable for the economic environmental and human rights harms they may have caused Given the far reaching power and success of the transnational corporation and the many legal tools allowing these companies to avoid liability how can governments protect their citizens Broad ranging in perspective colourful and thought provoking the chapters in Corporate Citizen make the case that because the success of corporate global citizenship risks undermining national and international democratic governance the multinational corporation must be more closely scrutinized and controlled in the service of humanity and the protection of the natural environment
