I was and I Am Dust David M. Mellott, 2009 There are a variety of people practices and celebrations in the Catholic Church At times some of these can be dismissed too easily as extreme superstitious or uninformed Such is the case with the Penitentes of New Mexico In *I Was and I Am Dust* David M Mellott shares his experiences of the Penitentes as an outsider Through the voice of Larry Torres one of the senior members of the Penitentes Mellott poignantly provides readers with a more intimate picture of this community of practitioners Readers may be surprised to discover a depth of meaning in these seemingly extreme Holy Week rituals and to realize the beauty of being dust

A Powerful Presence Andy Fitzgerald, 2024-12-16 Bethel Church Redding California is one of the most influential

churches in America The charismatic megachurch has garnered attention through its widely popular Bethel Music books conferences and senior pastor Bill Johnson Bethel is also known for its instances of supernatural power Divine healings ecstatic manifestations miracles and prophetic words are common at the church As such Bethel has garnered its share of critics and controversies Evangelical pastor Andy Fitzgerald DMin conducted a four month ethnographic study of Bethel Church In the first extensive study of the church Dr Fitzgerald observed and participated daily in Bethel s community sat under its teaching and interviewed its members and leaders to see how the church understands and practices supernatural power In *A Powerful Presence* Fitzgerald analyzes Bethel culturally and theologically by interacting with thinkers such as Charles Taylor Jürgen Moltmann and James Dunn Dr Fitzgerald brings his insights to bear for an appreciative but not uncritical look at Bethel Church This book offers new learnings and opens new pathways for churches and leaders to regain their apostolic footing in today s modern world *Daring to Share* Sandra Beardsall, Mitzi J. Budde, William P.

McDonald, 2018-06-29 Multi denominational congregations offer rich soil for new interpretations of what it means to be a church These parishes have chosen to covenant together for worship service ministry mission and nurturing of faith across two or more denominational traditions *Daring to Share* tells their stories investigates their practices and proposes a fresh vision of church for the twenty first century This book equips ordained and lay leaders for the formation and flourishing of such ministries It describes five models of partnership analyzes the parish life cycle interprets how worship works addresses constitutional and governance issues and reflects theologically on the intersection of diversity and unity What can we learn from these congregations Studying their particular witness struggles and promise for the future fills a gap in both congregational studies and contemporary ecclesiology Multi denominational parishes are more than a convenient way to revitalize congregational ministry They present new opportunities and approaches for sharing the gospel Ecumenical convergence meets demographic realities to suggest a mission strategy that will transform local practice and perhaps the church itself By daring to share these churches challenge a fractured world **Greenhouses of Hope** Dorie Grinenko

Baker, 2010-11-12 Do you know a church where young people regularly shape the liturgy with words that speak their truth in ways that also inspire their elders Do you hear about congregations that reach out in quirky new ways to their ailing neighborhoods instead of locking doors and shipping out to a suburb Do you find churches creating hospitable space that invites the live wriggling questions and doubts of young people in unhurried unworried ways Do you see congregations where young people s gifts are not stored in the basement or bracketed into contemporary worship services but are brought forth and celebrated The authors who collaborated on this book launched a quest for such vibrant life giving greening congregations and observed the diverse practices that grow there They named these churches Greenhouses of Hope A Greenhouse of Hope is a Christian congregation freeing itself to experiment with both newly imagined and time honored ways of following the path of Jesus Its members respond to God s love through practices that genuinely embrace the gifts of

youth and young adults Out of these greenhouses emerge young leaders who want to change the world In Greenhouses of Hope Dori Baker and six contributors tell the stories of these remarkable congregations helping others think about how they can create space for the dreams of young people to be grafted into God s dreams for the world **Becoming Apostolic** Catherine Sexton,2024-07-01 This book explores the experience and understanding of Roman Catholic sisters of their vocation to the apostolic form of religious life as they age Based on interviews with twelve religious women it draws on the practice of Lectio Divina to explore how these women describe their call to service and activity at a time in life when these might be curtailed by physical diminishment and increasingly reduced social interaction and influence As the very institutions of religious life are themselves under threat the book identifies new emerging forms of ministry through presence to each other and to their carers Movement of the Heart Hee-Kyu Heidi Park,2024-07-29 Your word is a lamp to my feet and a light to my path Ps 119 105 An avid Bible reader reflects As the Lord leads the lamp illuminates my path step by step Such small step makes sense when connected to another inspirational moment marked by her deeply moved heart The movement of the heart emerges as a recurring phenomenon in the in depth interviews with dedicated Bible readers who share powerful narratives of their Bible reading journey s ups and downs By unraveling the psychological spiritual and cultural dimensions of this heart moving experience this book forges a fresh practical theology of Bible reading **Body Connections** Michael S. Koppel,2021-08-03 A new articulation of pastoral theology care and counseling Too often we think and teach in ways that reinforce a mind body split This can lead people to self alienation impeding holistic healthy relationships between people God and each other Body Connections takes a different approach teaching us to see the connections between our embodied experience and faithful spiritual care Author Michael Koppel focuses on the human body and its relationship to faith and spiritual care He engages religious texts and traditions as well as scientific insights offering accessible theology and spiritual practices for healing and care of the body Our bodies are amazing resources but we are too often unaware of their power or unable to harness it in helpful ways for our own good This remarkable book empowers pastors counselors chaplains seminarians and caregivers to understand and provide the ministry of care in an entirely new life giving way This book is highly useful for individuals and groups It is for clergy chaplains spiritual directors seminarians clinical educators lay people in churches and those who are institutionally unaffiliated but care deeply about fostering a holistic spiritual path Praise for Body Connections Everything we think feel and do comes through the body But practices of spiritual care tend to downplay the body as a source of knowledge and a tool for responding to others and to God Koppel s book reclaims that wisdom coaching us to strengthen our abilities to read listen and think with the body I can t wait to teach this practical wise and convicting book which addresses embodied emotion grief silence trauma and more Koppel s seasoned pastoral voice offers a rich synthesis of sources and insights that demonstrate the body s place at the center of ministry Duane Bidwell professor of practical theology spiritual care and counseling Claremont School of Theology Claremont CA

Body Connections provides new insights into the voice and language of the body Koppel crafts a body theology that encourages spiritual care practitioners to be proactive in their spiritual practices of listening adapting and responding to our bodies and to the bodies of those to whom we offer care Using the image of body as storyteller and other metaphors Koppel captures and defines the healing power of the body in clear and profound ways Bishop Teresa Jefferson Snorton D Min Presiding Bishop Fifth Episcopal District The CME Church Michael Koppel returns the body to its rightful place at the center of each person s story and the center of the Christian story He calls readers home to their bodies and gently challenges escapes from the body into hasty fixing detached rationalizing anxious dithering or addictive numbing At a time when the COVID pandemic has underscored the vulnerability of bodies Koppel s focused healing deep body consciousness paints a portrait of health far beyond mere absence of disease Don t just read this book absorb it practice it and let it heal you Douglas M Thorpe PhD is Executive Director of the Virginia Institute of Pastoral Care and a past president of the American Association of Pastoral Counselors It is surprisingly difficult even confusing to have a body to be a body to touch talk and listen to even read a sensing body to honor and restore the body s wounds traumas and shame while celebrating its healing and resilience Koppel is a wise guide and caregiver for those seeking to embrace the sacredness of a human body and its unique story Body Connections empowers a reader to discover body knowledge anew It deepens trust in the most intimate relationship one has the relationship with one s body Jaco J Hamman professor of religion psychology and culture and director of the Program in Theology and Practice Vanderbilt University Nashville TN *?STREETISM?* Isaac Ishmael Arthur,2013 This book is a study that investigates the phenomenon of streetism the manner of life of homeless or unmonitored youth on the streets of Accra Ghana and other urban centers in a country where barrenness and childlessness are socially undesirable The study utilizes a qualitative ethnographic and critical theory based approach to present a socio culturally nuanced addition to the literature on street children The work engages in theological reflection on the basis of the experiences of poverty and marginalization of the youth on the streets and for their liberation This thesis also utilizes an intercultural methodology to examine the causes of streetism and liberation praxis for its eradication The findings of the study include how poverty dropping out of school breakdown of the extended family systems parental death urbanization adventure and earning of personal income influence the migration of youth to the streets The study also examines the effects of rape and the resilient and hopeful attitudes of the homeless youth The study proposes pastoral responses on three ecological levels At the macro level advocacy is proposed for addressing the problems embedded in social structures and government policies and ideologies At the meso level congregational and community response is offered to deal with issues emanating from local communities and institutions Dealing with the psychosocial effects at the micro level the study offers pastoral counseling for street youth and parents and individual group and narrative counseling approaches for individuals and groups within the community *Introducing Practical Theology* Pete Ward,2017-10-17 This introduction to the field of

practical theology reclaims a theological vision for the life and work of the church Pete Ward dispels the myth that practical theology is a distraction from the real tasks of ministry or from serious academic theological work He argues that practical theology is part of the everyday life of the church and that there are a variety of possible approaches helping readers evaluate the approach that is most appropriate to their ministerial context and theological tradition This reliable accessible resource will work well for those in training or in ministry *The Fruits of Listening* Colleen C. B. Weaver, 2024-10-31

Theological seminaries and Bible institutes find themselves at the crossroads of preserving biblical faithfulness and of maintaining contextual relevance What does faithful contextual relevance look like How can theological institutions steer a course that will engage and serve the church through the men and women they equip for ministry and service In pursuit of answers to those questions a qualitative research project was designed and conducted in the Protestant evangelical community in Madrid Spain It presented a unique situation where seminary faculty and students and church attenders could be invited to share their perspectives experiences and hopes for transformative theological education Congregants offered a vision of theological education that equips leaders to relationally empower the church to give witness in the society Intentional listening was prioritized on three seminary campuses where faculty and students shared their stories of theological formation and described the unique contextual challenges they face as Protestant believers in Spain They voiced narratives of how they must find ways to persevere amid pervasive scarcity and in a rapidly changing society Seminaries and churches around the world may recognize details of their own experiences in these stories and importantly receive resources for relevant contextualization in this work **Studying God** Jeff Astley, 2014-11-30 The Learning Church series offers a range of short introductions to some of the key themes of Christian theology life and discipleship This book will introduce some major Christian beliefs and values such as creation Christian hope and death in the context of the claim that the world and its human inhabitants are the work of God The discussion throughout will start with the reader's own experience and understanding before relating insights from the Bible and the Christian tradition to this more ordinary and experiential starting point and suggesting how the ensuing dialogue may develop **Violent Trauma, Culture, and Power** Michelle Walsh, 2017-02-16 This book is an interdisciplinary exploration of the intertwining impact of violent trauma culture and power through case studies of two ministries serving in different demographic contexts within the United States Mass shootings continue to rise in the United States including in religious and school contexts and the U S also is ground zero for the now international Black Lives Matter movement The author shows how all forms of violent trauma impact more than individuals devastating communal relationships and practices of religious or spiritual meaning making in the aftermath and assesses how these impacts differ according to lived experiences with culture and power Looking at the two ministries an urban grassroots lay ministry organization that serves surviving family members in the aftermath of homicide and a denominational ministry that served a church in the aftermath of a political and religiously motivated shooting the author develops trauma

specific interdisciplinary tools for lived religion studies This book powerfully utilizes an intersectional lens to highlight the inter interconnections to be found for those working in faith communities as well as mental health Walsh provides the reader with an opportunity to explore and develop theoretical and practice perspectives that include race and ethnicity religion and spirituality social class and ability sexual orientation immigration and refugee status and explores the impact that oppression and discrimination have on our communities and society I highly recommend this book for those who are engaged in working to combat domination at the local national and global levels Gary Bailey Simmons College USA

The First Gentleman Dr. Jacqueline Tuggle Taylor, 2012-05-10 Female leadership has been a topic of debate for centuries between theologians and laity Christians and non Christians as well as men and women This study will present a theological analysis of the debate concerning male and female roles in leadership positions and ministry An analysis of the role of the female pastors spouse the effects of sexism in religion and how it has influenced the ecclesiology of the church will be examined as well Reflections of case studies employing biblical narratives of couples in the Bible will be used to substantiate the roles of women leaders and their spouses Each scenario identifies the particular role of the husband and the wife specifically when the wife is the spiritual leader Read with anticipation the outcome of biblical interpretation of the roles of the female leader and their spouses

The Faith Lives of Women and Girls Nicola Slee, Fran Porter, Anne Phillips, 2016-03-16 Identifying illuminating and enhancing understanding of key aspects of women and girls faith lives The Faith Lives of Women and Girls represents a significant body of original qualitative research from practitioners and researchers across the UK Contributors include new and upcoming researchers as well as more established feminist practical theologians Chapters provide perspectives on different ages and stages of faith across the life cycle from a range of different cultural and religious contexts Diverse spiritual practices beliefs and attachments are explored including a variety of experiences of liminality in women s faith lives A range of approaches ethnographic oral history action research interview studies case studies and documentary analysis combine to offer a deeper understanding of women s and girls faith lives As well as being of interest to researchers this book presents resources to enhance ministry to and with women and girls in a variety of settings

Researching Female Faith Nicola Slee, Fran Porter, Anne Phillips, 2017-11-09 Religious and spiritual engagement has undergone multiple significant changes in recent decades Researching Female Faith is a collection of essays based on recent and original field research conducted by the contributors and informed by a variety of theoretical perspectives into the faith lives of women and girls broadly from within a Christian context Essays describe and recount original qualitative research that identifies illuminates and enhances our understanding of key aspects of women s and girls faith lives Offered as a contribution to feminist practical and pastoral theology the essays arise out of and feed back into a range of mainly UK pastoral and practical contexts While the essays in this volume will contribute to an enhanced appreciation and analysis of female faith the core focus is on feminist qualitative research methods and methodology Thus they demystify and illuminate the process of research including

features of research which are frequently under examined The book is a first in bringing together a specific focus on feminist qualitative research methodology with the study of female faith lives It will therefore be of great interest to students academics and practitioners with interests in faith and gender in theology religious studies and sociology
