Psalm Trees Anna Focht,2025-07-25 Immerse yourself in these beautifully crafted soul soothing new psalms that offer profound reflections on faith and healing In Psalm Trees nature s wooded pathways intertwine with God s promise of blessings guidance and protection This remarkable lineup of prayers from the heart captures a deep sense of tender awareness and beauty Beauty is only a small fraction of the power contained in these pages Anna s resilience and strength shine as she reveals the story of her moving ovarian cancer journey showing the reader that even in the worst of circumstances there is hope In Psalm Trees Anna Focht draws on your deep well of faith and her passionate love of the natural world to create a cycle of psalms that is both lyrically charged and spiritually enthralling These are poems that arise from the soul but also from the heart They send a message of hope to all readers of any faith and will come as a balm to those who have suffered and survived illness and loss An enchanting debut Steve Almond author of Truth Is the Arrow Mercy Is the Bow The Devil Wins Dallas G. Denery,2016-09-13 A bold retelling of the history of lying in medieval and early modern Europe Is it ever acceptable to lie This question plays a surprisingly important role in the story of Europe s transition from medieval to modern society According to many historians Europe became modern when Europeans began to lie that is when they began to argue that it is sometimes acceptable to lie This popular account offers a clear trajectory of historical progression from a medieval world of faith in which every lie is sinful to a more worldly early modern society in which lying becomes a permissible strategy for self defense and self advancement Unfortunately this story is wrong For medieval and early modern Christians the problem of the lie was the problem of human existence itself To ask Is it ever acceptable to lie was to ask how we as sinners should live in a fallen world As it turns out the answer to that question depended on who did the asking The Devil Wins uncovers the complicated history of lying from the early days of the Catholic Church to the Enlightenment revealing the diversity of attitudes about lying by considering the question from the perspectives of five representative voices the Devil God theologians courtiers and women Examining works by Augustine Bonaventure Martin

Letters of General Charles George Gordon to His Sister M. A. Gordon Charles George Gordon, 1888 *Early English Devotional Prose and the Female Audience* Elizabeth Ann Robertson, 1990 After the Norman conquest women and the lower classes became the primary audiences for English as opposed to Latin or French literature Among the works written for female audiences are the hitherto neglected AB texts three female saints' lives a tract on virginity a homily and a guide for anchoresses In this lucid innovative study Elizabeth Robertson shows that the AB texts were written in an effective experiential style that distinguished them from other spiritual works of the period Key characteristics of this special style nonteleological structure pervasive use of concrete imagery and thematic focus on the female body have been viewed by some as hallmarks of women's writing more generally Combining feminist theory with critical skill and an impressive command of Old and Middle English materials the author argues to the contrary that in the thirteenth century England this style was created by educated male writers in accord with their beliefs about nature and needs of marginal social groups Beginning with the history and motivations of female anchorites and surveying medieval philosophy and theology in relation to gender theory this book offers the first comprehensive analysis of the AB texts and then details their debt to earlier English vernacular works and to the continental theological movements that increasingly emphasized physical experience and matter The result is an exciting learned account of the feminization of early English prose *Man in India* Sarat Chandra Roy (Rai Bahadur), 1923 *Between Folk and Liturgy*, 2023-11-20 Between Folk and Liturgy the title of this collection should not be

understood to refer to some fixed point some stable place between the two extremes of an illiterate and a literate culture Rather the title flags the wide and colourful spectrum of medieval dramatic possibility Perhaps except one none of the ten essays published here deal with a drama existing purely at either end of this scale They add to our impression of the teaming fecundity and hybridism of early European drama an impression that grows apace once we start to consider dramas situated Between Folk and Liturgy The geographical terrain that the essays traverse ranges from the British Isles in the west to Poland in the east The suppleness of the approaches taken here is the minimum critical requirement of anyone wanting to do justice to so complex and multifold a phenomenon as is early European drama *DO YOU KNOW THIS ABOUT*

INTOXICATION? DEEPAKK SATYA,2023-10-31 Most of the Indians are intoxication users The urban people use intoxication as a constitutional right even the villagers are not far behind There is no Indian home untouched by intoxication No occasion of happiness or sadness is complete without being intoxicating substances Kids and elders are giving full support to the intoxication industry Whether or not something else happened in the new India the girls are becoming intoxication users There are many special questions in this book for the people who remain under the influence of intoxication all the time These are questions that were hidden by intoxication dealers We are not saying that you do not use intoxication Life is yours so every decision should be yours All we are saying is to listen to these questions once These are very important not only for us but for you Especially for those parents who do not want their children to become ashes at the hands of the intoxication industry *The Veil of Years* L. Warren Douglas,2001-07-01 LIFTING THE VEIL OF YESTERYEAR The young apprentice mage Pierette discovers that the pages in the history books are fading away Like stars going behind a passing cloud the events that define the sunny world she loves are winking out one by one and the shadows of ancient headless Gauls souls of the dead whose heads once adorned the pillars of the city of Provence are seen by night Is the Black Time coming when evil will reign supreme The answer lies in the long ago when Provence was a Roman camp and Pierette must brave the otherworld to journey there At the publisher s request this title is sold without DRM Digital Rights Management
