Pediatrics Piyush Gupta,PSN Menon,Siddarth Ramji,Rakesh Lodha,2015-08-31 The book attempts to provide the essential
 information that postgraduates throughout India need to capture to effectively address the health problems that our children
 and youth may face in the times to come Our objective is to be comprehensive yet concise and reader friendly embracing
 both the new advances in science as well as the time honored art of pediatric practice Both Indian and international experts
 in respective fields have provided the details which have been further scrutinized for exposition and usefulness to pediatric
 postgraduates by a chosen team of eminent academicians We have liberally included tables line diagrams images clinical
 photographs illustrative figures flowcharts and algorithms in the main text The book is divided in 10 major Parts and further
 arranged into 51 Sections to cover all aspects of postgraduate pediatric curriculum Themes which have major public health
 relevance for India are extensively covered It is almost impossible to cover all pediatric problems with the same degree of
 detail and hence a careful balance has been made in the details of description of diseases and their management to the needs
 of the students and to keep the book to a manageable size Take home messages are provided at the end of each chapter
 Selected recent references mostly leading articles reviews and position statements are provided for more detailed
 information if desired by the student or the teacher
