No Posers, Please R.W. Lee, 2015-08-05 *No Posers Please* tackles the emerging presence of failure in Christian practice It has embedded itself in leadership mindset and discipleship To combat the first poser of failed leadership RW Lee turns to the Old Testament book of Ezra as the source of four principles He uncovers and describes Ezras insights that development precedes outcome reverence precedes worship separation precedes magnetism and inspiration precedes adjustment The second poser is failed mindset What causes it and how to restore it are found in Paul's letter to the church at Ephesus *No Posers Please* offers a common sense approach that lines up the inner person with outward actions and directs the follower to spiritual

freedom Finally in looking at the third poser of failed discipleship readers are urged to examine their understanding of a Christians five functions and methods for interacting with others Follow the example modeled by Christ of enticing educating and then examining those around him Look at how he heightened his interactions by emphasizing his distinctiveness challenging thinking developing others exercising authority and being intentional with his timing Following the main presentation of its message No Posers Please includes appendices a glossary references an index and a reading list to aid the reader in gaining a deeper and richer appreciation for the works topic Whatever your role in a local congregation No Posers Please encourages scripturally grounded ways to face engage and critique failures infiltration into Christianity so that leadership mindset and discipleship may be restored to the intentions Christ has for his church Electricity and Magnetism Gil Urquhart, Terry L.
