When I agreed to be Linda's maid I had no idea she and her friend Betty would convert me into the most efficient maid of all work. They managed to micro manage my time so that I am used for utmost speed efficiency and quality. This means little free time. It also means an abundance of rules and discipline. My average down time is about two minutes for an entire day. This is by combining a second here and two seconds there. Linda has informed me that there is no reason I should have more than two minutes of down time per day. Anything over will be strictly punished. Author. This work does not include sexual situations.
