Finally you can simply and effortlessly discover the true meaning behind the symbols in your dreams. Unlike traditional dream dictionaries, this book presents the meanings behind modern day symbols such as mobile phones, boom boxes, and DVD players. For example, spiders are becoming more common in dreams because we spend more time on the World Wide Web these days. Traditional dictionaries might simply describe spiders as symbols of danger and entrapment. Ultimately, this book will become the benchmark for accurate dream interpretation.

**A Lithgow Palooza!** John Lithgow, 2004-04-06 What is a palooza? An activity that keeps kids from uttering those terrifying words, "I'm bored." You may know John Lithgow as star of stage, screen, and television, or even as a bestselling children's book author. But his most important role parent was also the most fun. Whether building cardboard castles or putting on a King and I puppet show or conducting a treasure hunt in the National Gallery of Art, John has spent years perfecting the art of the palooza. A palooza is easy to do. A palooza doesn't cost much; some cost absolutely nothing. A palooza is instigated or organized by parents but is quickly taken over by children. A palooza may involve a computer but never the TV. A palooza may use all varieties of arts and crafts. A palooza may secretly teach children and parents a thing or two. A palooza is entertaining for the entire family. A palooza depends entirely on the inexhaustible creativity, ingenuity, imagination, and sense of fun of young minds. This book contains 101 ideas for creating paloozas for children ages 3 to 12 wherever you are. Grouped according to interests and themes like art, drama, music, vacations, and birthdays, and incorporating lots of extrapaloozas, fun facts for parent and child, and suggested additional reading for all ages, John's paloozas range from adopting your own soup can for a day to inventing your own secret language to establishing left-handed day or creating a self-portrait. *A Lithgow Palooza* is an utterly unique collection of original activities guaranteed to transform any household from
