Some tape companies make some pretty big claims about their techniques; they want you to believe there's only one right way to tape.

Rocktape keeps it simple: We tape 'movements, not muscles'. We get that posture is dynamic and the basis for spinal function. We are sharing postural taping techniques with docs all over the world. Look for us in 2013 at many of the CBP seminars to learn how to incorporate postural taping into your practice and amplify your practice success.

Call us or visit us online and find out why we're the fastest growing tape company in the world.
