El-Baz, Rajendra Acharya U, Majid Mirmehdi, Jasjit S. Suri, 2011-05-04 With the advances in image guided surgery for cancer treatment the role of image segmentation and registration has become very critical The central engine of any image guided surgery product is its ability to quantify the organ or segment the organ whether it is a magnetic resonance imaging MRI and computed tomography CT X ray PET SPECT Ultrasound and Molecular imaging modality Sophisticated segmentation algorithms can help the physicians delineate better the anatomical structures present in the input images enhance the accuracy of medical diagnosis and facilitate the best treatment planning system designs The focus of this book is towards the state of the art techniques in the

area of image segmentation and registration

Creating a Transnational Space in the First Year Writing Classroom

W. Ordeman, 2021-05-04 During the first twenty years of the new millennium many scholars turned their attention to translingualism an idea that focuses on the merging of language in distinct social and spatial contexts to serve unique mutually constitutive and temporal purposes This volume joins the more recent shift in pedagogical studies towards an altogether distinct phenomenon transnationalism By developing a framework for transnational pedagogical practice this volume demonstrates the exclusive opportunities afforded to freshmen writers who write in transnational spaces that act as points of fusion for several cultural lingual and national identities With reference to recent works on translingualism and transnationalism this volume is an attempt to conceptualize effective writing pedagogy in freshman writing courses which are becoming more and more transnational It also provides educators and first year writing administrators with practical pedagogical tools to help them use their transnational spaces as a means of achieving their desired learning outcomes as well as teaching students threshold concepts of composition studies This volume will be particularly useful for first year writing faculty at colleges and universities as well as writing program administrators to create a more effective curriculum that addresses these needs in classroom settings All scholars with a doctorate in Rhetoric and Composition English as a Second Language Translation Studies to name a few will also find this a valuable resource
