Sourcebook of Family Theories and Methods Pauline Boss, William J. Doherty, Ralph LaRossa, Walter R. Schumm, Suzanne K. Steinmetz, 1993-03-31 Origins We call this book on theoretical orientations and methodological strategies in family studies a sourcebook because it details the social and personal roots i e sources from which these orientations and strategies flow Thus an appropriate way to preface this book is to talk first of its roots its beginnings In the mid 1980s there emerged in some quarters the sense that it was time for family studies to take stock of itself A goal was thus set to write a book that like Janus would face both backward and forward a book that would give readers both a perspective on the past and a map for the future There were precedents for such a project The Handbook of Marriage and the Family edited by Harold Christensen and published in 1964 the two Contemporary Theories about the Family volumes edited by Wesley Burr Reuben Hill F Ivan Nye and Ira Reiss published in 1979 and the Handbook of Marriage and the Family edited by Marvin Sussman and Suzanne Steinmetz then in production

Global Families Meg Wilkes Karraker, 2012-05-08 In Global Families author Meg Karraker provides family scholars with a methodical introduction to the interdisciplinary field of globalization Global Families then examines the ways in which

globalization impinges on families throughout the world in four major areas demographic transitions world wide culture international violence and transnational employment The book concludes with a discussion of supra national policies and other efforts to position families in this global landscape *Sourcebook of Family Theory and Research* Vern L.
