Cascio, 2005-05 **Speaking Across the Curriculum**, 2004 Speaking Across the Curriculum gives teachers ready made speaking and listening activities that can be infused into any curriculum Over 50 activities help teachers encourage debate and discussion and teach students speaking and listening skills Students will learn how to outline a speech build active listening skills develop a media presentation persuade an audience and speak spontaneously Activities also help students analyze and evaluate arguments and sources including web sites *Stand Up! Speak Out!* Troy Drayton, Joe Bernhart, David Sebeck, 2015-06 Each unit includes a culminating project meant to develop students social awareness and encourage social action The process fosters students who are independent in their thinking active in their search for knowledge and productive in their creation of new solutions to real world problems *All Learning Is Social and Emotional* Nancy Frey, Douglas Fisher, Dominique Smith, 2019-01-17 While social and emotional learning SEL is most familiar as compartmentalized programs separate from academics the truth is all learning is social and emotional What teachers say the values we express the materials and activities we choose and the skills we prioritize all influence how students think see themselves and interact with content and with others If you teach kids rather than standards and if you want all kids to get what they need to thrive Nancy Frey Douglas Fisher and Dominique Smith offer a solution a comprehensive five part model of SEL that s easy to integrate into everyday content instruction no matter what subject or grade level you teach You ll learn the hows and whys of Building students sense of identity and confidence in their ability to learn overcome challenge and influence the world around them Helping students identify describe and regulate their emotional responses Promoting the cognitive regulation skills critical to decision making and problem solving Fostering students social skills including teamwork and sharing and their ability to establish and repair relationships Equipping students to becoming informed and involved citizens Along with a toolbox of strategies for addressing 33 essential competencies you ll find real life examples highlighting the many opportunities for social and emotional learning within the K 12 academic curriculum Children s social and emotional development is too important to be an add on or an afterthought too important to be left to chance Use this books integrated SEL approach to help your students build essential skills that will serve them in the classroom and throughout their lives *Teacher Edition for Curriculum Companion* Franklin Covey, 2022 A teacher guide to teaching 45 15 minute learning experiences about emotions and self regulation designed for 4 and 5 year old leaders *Creating Emotionally Literate Classrooms* Marc A Brackett, Janet Pickard Kremenitzer, 2011 A research based field tested program that enhances academic achievement and social competence with developmentally appropriate lessons that are integrated across the curriculum for K 5 The methodology accommodates all learning styles with six concrete how to steps for quick and easy implementation It also comes with the reproducible materials for student use as well as supporting teacher materials

Strong Kids Series Dianna Carrizales-Engelmann, Laura L. Feuerborn, Barbara A. Guedner, 2016 Strong Kids 3 5 is a research based curriculum for educators that can be used across all developmental levels to promote social emotional skills and competencies

Humanizing the Classroom Kristin Stuart Valdes, 2019-05-24 There is a growing trend in education for educators to support students in the development of social and emotional skills SEL mandates are now part of many state assessments and national initiatives and there are countless curriculum from which principals and teachers may choose However many of these curricular materials fail to address the question of pedagogy or what is the best method for teaching social and emotional skills Humanizing the Classroom Using Role Plays to Teach Social and Emotional Skills in Middle and High School answers this question by presenting the pedagogical basis for using role plays to teach social and emotional skills creating a clear link between SEL and the need for culturally relevant teaching and providing over 45 model lessons that can be delivered in middle and high school classrooms A rich resource for principals seeking advisory curriculum materials classroom teachers interested in integrating SEL into their classroom practice and educational theater and drama teachers Humanizing the Classroom addresses the how why and what of teaching social and emotional skills in our diverse society
