

A detailed illustration of the construction of the Jerusalem Temple wall. In the foreground, numerous workers in traditional robes are engaged in various tasks: some are moving large stone blocks, others are using tools like hammers and chisels. A wooden wheelbarrow and several large earthenware jars are scattered on the ground. In the middle ground, a long, high wall made of large, rectangular stone blocks is under construction. To the right, a wooden ladder leans against the wall. In the background, a city with a prominent blue-domed building and other structures is visible on a hillside. Two large cranes are positioned on either side of the city, suggesting the use of modern machinery in this historical scene. The overall atmosphere is one of busy, organized labor.
