

MARK SCHEME for the October/November 2011 question paper
for the guidance of teachers.

0653 COMBINED SCIENCE

0653/03

Paper 3: Alternative to Practical, maximum raw mark 80

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking begins, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

• Cambridge will not enter the discussion of correspondence in connection with these mark schemes.

Cambridge is publishing the mark schemes for the October/November 2011 question papers for most IGCSE, DIPLO, Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.
