Art Management Giep Hagoort, 2003 In the 21st century there is an enormous need for a basic knowledge of management in the cultural sector This publication fills the gap between general management theory and cultural praxis It offers information on the global dimension of art management digitization of culture strategy formation in the cultural sector the structure of a cultural organization cultural leadership Casestudies are presented from different parts of the world rooted in local resources but from a global perspective

Environmental Rating of Indian Automobile Sector, 2001

The Devil's Best Trick Randall Sullivan, 2024-05-14 Part true crime story part religious and literary history an investigation into the nature of evil and the figure of the Devil by acclaimed journalist Randall Sullivan Throughout history humans have struggled to explain the evils of the world and the darkest parts of ourselves The Devil's Best Trick is a unique and far reaching investigation into evil and the myriad ways we attempt to understand it particularly through the figure of the Devil Sullivan's narrative moves through centuries of historical religious and cultural conceptions of evil and the Devil from the Mesopotamian and Egyptian gods to the Book of Job to the New Testament to the witch hunts in Europe in the 15th through 17th centuries to the history of the devil worshipping Black Mass ceremony and its depictions in 19th century French literature He references major literary religious and historical figures from the Persian sages Zoroaster and Mani Plato Thomas Aquinas John Milton Edgar Allan Poe Aleister Crowley and many more among them Charles Baudelaire from whose work Sullivan took the title of the book But this is not just a cultural history Sullivan intersperses original reporting and personal reflection He travels to Catemaco Mexico to participate in the Hour of the Witches an annual ceremony in which hundreds of people congregate in the jungle south of Vera Cruz to negotiate terms with El Diablo He takes us through the most famous and best documented exorcism in American history which occurred in 1928 and lasted four months He ponders the psychology of evil through his encounter with one brutal serial killer and he reports on the Satanic Panic of the 1980s detailing the shocking story of a small town in Texas that one summer in 1988 unraveled into paranoia after a seventeen year old boy was found hanging from the branch of a horse apple tree and rumors about cult worship spread throughout the wider community Randall Sullivan whose reportage and narrative skill has been called extraordinary and enthralling by Rolling Stone takes on a bold task in this book that is both biography of the Devil and a look at how evil manifests in the world
