Sri Lanka Education Sector Assessment Halil Dundar, Benoit Millot, Michelle Riboud, Mari Shojo, Harsha Aturupane, Sangeeta Goyal, Dhushyanth Raju, 2017-06-16 A country's education system plays a pivotal role in promoting economic growth and shared prosperity Sri Lanka has enjoyed high school attainment and enrollment rates for several decades However it still faces major challenges in the education sector and these challenges undermine the country's inclusive growth goal and its ambition to become a competitive upper middle income country The authors of Sri Lanka Education Sector Assessment Achievements Challenges and Policy Options offer a thorough review of Sri Lanka's education sector from early childhood education through higher education With this book they attempt to answer three questions How is Sri Lanka's education system performing especially with respect to participation rates learning outcomes and labor market outcomes How can the country address the challenges at each stage of the education process taking into account both country and international experience and also best practices Which policy actions should Sri Lanka make a priority for the short and medium term The authors identify the most critical constraints on performance and present strategic priorities and policy options to address them To attain inclusive growth and become globally competitive Sri Lanka needs to embark on integrated reforms across all levels of education These reforms must address both short term skill shortages and long term productivity As Sri Lanka moves up the development ladder the priorities of primary secondary and postsecondary education must be aligned to meet the increasingly complex education and skill requirements

Guinea International Monetary Fund. African Dept., 2016-04-04 This report reviews Guinea's economic performance under the program supported by an Extended Credit Facility ECF arrangement Guinea was declared free of the Ebola epidemic at end 2015 and after two years of stagnant activity growth is expected to rebound this year After solid performance in 2014 ECF program implementation weakened in 2015 Following last October's Presidential elections there has been a concerted effort to bring the ECF supported program back on track Macroeconomic policies for 2016 aim to improve reserves coverage to three months of imports and keep inflation within single digit figures as envisioned in the 2015 ECF supported program The 2016 budget envisions a significant broad based fiscal contraction

Handbook of Research on Perspectives in Foreign Language Assessment Köksal, Dinçay, Kavaklı Ulutaş, Nurdan, Arslan, Sezen, 2023-02-27 As a predominant teaching paradigm foreign language learning has increasingly been one of the crucial elements that leads to career accomplishments for students Due to this foreign language assessment has emerged as a major topic in the field of foreign language learning The Handbook of Research on Perspectives in Foreign Language Assessment examines perspectives on language assessment through reflections on classroom applications and

makes recommendations to strengthen quality language assessments by drawing on a variety of research methodologies It also provides a foundation as to why foreign language assessment as a discipline should be refocused with caution what sort of theoretical and practical implications should be in place for foreign language teachers and in what ways it may be possible to provide futuristic perspectives on foreign language assessment for test developers and users involved in language assessment Covering key topics such as testing literacy and language teaching this major reference work is ideal for industry professionals policymakers administrators researchers academicians scholars practitioners instructors preservice teachers teacher educators librarians and students **Whole School Approaches to Sustainability** Arjen E.J. Wals,Birgitte

Bjønness,Astrid Sinnes,Ingrid Eikeland,2024-06-22 In response to urgent global sustainability challenges Education for Sustainable Development ESD and Global Citizenship Education have been prioritized in the United Nations Agenda 2030 under SDG 4 7 There is a growing awareness that treating concepts such as global citizenship sustainable development climate urgency and health and well being as separate subjects or topics to be added to a curriculum is ineffective as they are highly interconnected Additionally this approach is problematic as schools already have an overcrowded curriculum This edited volume brings together a range of scholars and reflective practitioners from across the globe who are investigating and enacting a whole school approach WSA in education for sustainability While the WSA and related approaches such as those advocated by EcoSchools are becoming more popular there is a lack of understanding of their underlying principles and the different manifestations in diverging socio cultural contexts at different educational levels This collection of chapters provides a deeper understanding of the WSA while also addressing its effectiveness possibilities for upscaling professional development needs for WSA practitioners interlinkages with more conventional curriculum requirements expectations of students and parents and more This is an open access book **High-Performance Computing in Finance** M.
