

## HOW TO USE THE NOTES:

- Copy the pages with only questions for learners.
- Pages with questions and answer are given to learners by using a projector (I used a television).
- Learners write the answers in their books.
- If you do not have a projector, the pages can be copied; two per page, front to back. Learners write the answers from the copied pages.
- A booklet can be made from these pages, taken in after use to be used the next year again.

## LEARNER BOOKS:

- Start each new topic on a new page. It assists learners to focus on one set of questions and answers when learning.
- Leave a line open between answers.
- Ensure learners number answers properly.
- Use pictures where applicable to paste next to answers.
- Underline key concepts in a topic using one colour.

Give this page to learners to assist them to learn how to write the answers in their book.
