Who's Your Founding Father? David Fleming,2023-05-16 A centuries old secret document unravels the origin story of America and reveals the intellectual crime of the millennia in this hugely entertaining dive into our country s history to discover the first true Declaration of Independence Andrew Roberts author of Napoleon and Churchill In 1819 John Adams came across a stunning story in his hometown Essex Register that he described to his political frenemy Thomas Jefferson as one of the greatest curiosities and one of the deepest mysteries that ever occurred to me entitled the Mecklenburg Declaration of Independence The genuine sense of America at that moment was never so well expressed before nor since The story claimed that a full 14 months before Jefferson crafted his own Declaration of Independence a misfit band of zealous Scots Irish patriots whiskey loving Princeton scholars and a fanatical frontier preacher in a remote corner of North Carolina had become the first Americans to formally declare themselves free and independent from England Composed during a clandestine all night session inside the Charlotte courthouse the Mecklenburg Declaration aka the MecDec was signed on May 20 1775 a date that s still featured on the state flag of North Carolina About a year later in 1776 Jefferson is believed to have plagiarized the MecDec while composing his own slightly more famous Declaration and then covered the whole thing up Which is why Adams always insisted the MecDec needed to be thoroughly investigated and more universally made known to the present and future generation With *Who s Your Founding Father* David Fleming picks up where Adams left off leaving no archive no cemetery no bizarre clue or wild character and definitely no Dunkin Donuts unexplored while traveling the globe to bring to life one of the most fantastic important and controversial stories in American history *Secrets of the A-List (Episode 5 of 12)* Helen Lacey,2017-10-01 *Secrets of the A List* Episode 5 of 12 by Helen Lacey released on Oct 01 2017 is available now for purchase **TV Guide** ,2007 The Bastard's Reckoning Conrad Riker, YOUR CHILD S INHERITANCE STOLEN DISCOVER HOW LAWS REWARD BAD BEHAVIOR AND PUNISH GOOD MEN Tired of seeing bastards drain resources from your legitimate kids Angry that feminists and Marxists erased the stigma that kept society strong Watch as

Sexuality, Gender & Education Joseph Tham, L.C.,2018-03-15 The debates on gender and sexuality are widespread today Many claim that a cultural war is being waged between conservatives who uphold the time honored values of family and sexuality and liberals who promote an agenda to redefine these traditional roles Since the public is often uninformed about the science and philosophical currents undergirding the questions of gender and sexuality the Pontifical Athenaeum Regina Apostolorum organized an academic symposium in Rome to shed light on the debate This book gathers the insights of that symposium which integrated the disciplines of medicine neuroscience psychology psychiatry history philosophy moral theology biblical studies law bioethics and pedagogy This work is aimed at Catholics and all those who seek a more profound understanding of one of today s most important topics In the personalist approach of bioethics the natural law tradition distinguishes the person from his or her acts In the case of same sex attractions the Church teaches clearly that the inclination is not in itself sinful and that persons with such attractions are deserving of respect and compassion in accord with their full human dignity Nonetheless same sex acts are not natural or ordered The Church strives to build bridges with the LGBT community by fostering a relationship of compassion sensitivity and mutual respect However real bridges also require honesty and openness to the truths that pertain to human sexuality procreation the family and the education of future generation
