*Alexander the Great* Katie Marsico,2009 Examines the life of Alexander the Great including his childhood education rise to power major conquests and untimely death at age thirty two *Alexander the Great* Philip Freeman,2011-01-04 In the first authoritative biography of Alexander the Great written for a general audience in a generation classicist and historian Philip Freeman tells the remarkable life of the great conqueror The celebrated Macedonian king has been one of the most enduring figures in history He was a general of such skill and renown that for two thousand years other great leaders studied his strategy and tactics from Hannibal to Napoleon with countless more in between He flashed across the sky of history like a comet glowing brightly and burning out quickly crowned at age nineteen dead by thirty two He established the greatest empire of the ancient world Greek coins and statues are found as far east as Afghanistan Our interest in him has never faded Alexander was born into the royal family of Macedonia the kingdom that would soon rule over Greece Tutored as a boy by Aristotle Alexander had an inquisitive mind that would serve him well when he faced formidable obstacles during his military campaigns Shortly after taking command of the army he launched an invasion of the Persian empire and continued his conquests as far south as the deserts of Egypt and as far east as the mountains of present day Pakistan and the plains of India Alexander spent nearly all his adult life away from his homeland and he and his men helped spread the Greek language throughout western Asia where it would become the lingua franca of the ancient world Within a short time after Alexander s death in Baghdad his empire began to fracture Best known among his successors are the Ptolemies of Egypt whose empire lasted until Cleopatra In his lively and authoritative biography of Alexander classical scholar and historian Philip Freeman

describes Alexander's astonishing achievements and provides insight into the mercurial character of the great conqueror. Alexander could be petty and magnanimous, cruel and merciful, impulsive and farsighted. Above all, he was ferociously intensely competitive and could not tolerate losing, which he rarely did. As Freeman explains, without Alexander, the influence of Greece on the ancient world would surely not have been as great as it was, even if his motivation was not to spread Greek culture for beneficial purposes but instead to unify his empire. Only a handful of people have influenced history as Alexander did, which is why he continues to fascinate us.

**Alexander the Great** Ian Worthington, 2003. This exciting new volume includes a selection of the most significant and representative published articles and chapters about Alexander and covers all the main areas of debate and discussion in Alexander scholarship.

*History of Alexander the Great, Etc* Jacob ABBOTT, 1853

**Alexander the Great** Ian Worthington, 2014-07-10. Alexander the Great conquered territories on a superhuman scale and established an empire that stretched from Greece to India. He spread Greek culture and education throughout his empire and was worshipped as a living god by many of his subjects. But how great is a leader responsible for the deaths of tens of thousands of people? A ruler who prefers constant warring to administering the peace? A man who believed he was a god who murdered his friends and recklessly put his soldiers' lives at risk? Ian Worthington delves into Alexander's successes and failures, his paranoia, the murders he engineered, his megalomania, and his constant drinking. It presents a king corrupted by power and who, for his own personal ends, sacrificed the empire his father had fought to establish.

Who Was Alexander the Great? Kathryn Waterfield, Robin Waterfield, Who HQ, 2016-06-07. Alexander the Great conquers the New York Times best-selling Who Was series. When Alexander was a boy in ancient Macedon, he already had grand ambitions. He complained that his father, the great king of Macedon, wasn't leaving anything for him to conquer. This, of course, was not the case. King Alexander went on to control most of the known world of the time. His victories won him many supporters, but they also earned him enemies. This easy-to-read biography offers a fascinating look at the life of Alexander and the world he lived in.

**AP U.S. History 2017-2018** Krista Dornbush, 2017-02-07. 4 realistic practice tests, 1 full-length diagnostic test.

*Alexander the Great* Erik Richardson, 2017-07-15. Alexander the Great explores the background, personality, and battle tactics of a legendary conqueror whose prowess in battle cemented his name in human history. The engaging and comprehensive text depicts Alexander's life, the lives of his soldiers, the stories of his battles, and the formations of cities and legends. Paintings, photographs, and engravings illustrate Greek culture and historical figures. Maps and diagrams depict the brilliant strategy of a commander who fought with his men. Though Alexander reigned and conquered over two thousand years ago, his battle successes and political ambitions had an enduring impact on military strategy and on the regions and cultures he ruled.
