Marketing Management Philip Kotler, Kevin Keller, Mairead Brady, Malcolm Goodman, Torben Hansen, 2019-07-12 The classic Marketing Management is an undisputed global best seller an encyclopedia of marketing considered by many as the authoritative book on the subject

**Feeding the Hustle** Jesse Dart, 2022-01-14 In Feeding the Hustle Jesse Dart draws on ethnographic fieldwork to consider the ways in which free food has become ubiquitous and even compulsory within the tech industry Packed lunches have nearly disappeared as more companies provide free food with the stated objectives of attracting and retaining employees increasing productivity and creating a sense of community through commensality Dart demonstrates how these food programs alter the relationship between employer and employee support a flexible type of workforce and reveal a commensality that is both exclusionary and inclusionary

**The Corporate Criminal** Steve Tombs, David Whyte, 2015-03-27 Key features of the book Introduces criminology students and people with an interest in the corporate crime to the concept of the corporate person Develops a unique understanding of corporate criminal personality as a source of corporate power Synthesises academic literature in criminology with broader academic commentary in sociology law business studies and political science Dissects ongoing popular and political debates around corporate social responsibility and moral capitalism Offers unique insights into the origins of the current crisis in capitalism from a criminological perspective

Doing Theology in the Age of Trump Dr. Jeffrey W. Robbins, Clayton Crockett, 2018-11-08 This book is a work of theological resistance It is not so much about the presidency of Donald Trump as it is about what his popularity and rise to power reveal about the state of Christianity and the moral character of the evangelical Right in the United States today More specifically it is about the threat of white Christian nationalism which is the particular form that the nationalist populist movement of Trumpism has adopted for itself The contributors are all fellows from the Westar Institute s academic seminar on God and the Human Future and include many of the leading figures in theology and Continental philosophy of religion This volume provides a form of theopolitical resistance based on intersectionality The authors recognize how the various forms of oppression interrelate to contribute to a vast dynamic and seeming impenetrable network of systemic injustice and marginalization These essays demonstrate that politics need not be played as a zero sum game with a winner take all mentality and that a critical theology is as urgently needed and as relevant now as ever

Foundational Economy The Foundational Economy Collective, 2022-03-08 The foundational economy is everywhere from clean water to care homes schools to hospitals these vital services were established between 1880 and 1980 to be collectively paid for collectively delivered and collectively consumed This essential framework has transformed the lives of billions but in the last generation it has come under considerable attack Privatisation market choice and outsourcing have depleted the material infrastructure at the core of everyday life and the foundational economy is in desperate need of renewal This book sets out the principles and initiatives to end the degradation of the foundational economy and restore its essential place in

society In the face of our growing needs the authors argue politics must refocus on foundational consumption and universal minimum access and quality **Corporations and American Democracy** Naomi R. Lamoreaux, William J.

*The Cinema of the Precariat* Tom Zaniello, 2020-02-20 The Cinema of the Precariat is the first book to lay out the incredible range of the precariat the social class suffering from precarity as well as a detailed report on the cinematic record of their work and lives It discusses a thorough and definitive selection of more than 250 films and related visual media that take the measure of the precariat worldwide For example thousands of Haitians including children harvest sugar cane in the Dominican Republic The Price of Sugar while illegal Afghan refugees work in Iran Delbaran More familiar are the millions of Latino immigrants legal or not of all ages that work in the United States Food Chains Each

chapter focuses on a sub class of the precariat or a contested zone of labor or the evolving political manifestation of the struggles of the unorganized and the dispossessed Among the hundreds of bewildering film choices available nowadays this book offers the reader reliable guidance to the films bringing to life the economic political and social dilemmas faced by millions of the world s global workforce and their families

**The Face of the Firm** Michele Gregory,2016-02-12 Despite decades of greater gender awareness at work in Western countries gender inequality in the executive suites is alive and well The Face of the Firm highlights new critical perspectives on the relationship between hegemonic masculine cultures gender embodiment and gender disparities in corporate organizations Using data from over 100 interviews with female and male executives who worked for some of the most prestigious advertising and computer firms in the world the book makes important connections between the empirical data and contemporary sexism in the United States and United Kingdom The book refocuses the debate of executive work organizational spaces and gender inequality on gendered bodies at work It also demonstrates that gendered and sexualized relations among executives often construct the production process The book makes a contribution to masculinity gender and work scholarship and is organized along three key concepts homogeneity homosociability and heterosexuality These address such factors as the organizational locker room sexual and heterosexual spaces at work and the construction of women and men as different workers This conceptual model is crucial for evaluating the mechanisms that support male dominance among highly skilled professionals and executives

**Ode to Gen X** Melissa Vosen Callens,2021-03-01 Even for the casual viewer the Netflix series Stranger Things will likely feel familiar reminiscent of popular 1980s coming of age movies such as The Goonies E T the Extra Terrestrial and Stand by Me Throughout the series nods to each movie are abundant While Stranger Things and these classic 1980s films are all tales of childhood friendship and shared adventures they are also narratives that reflect and shape the burgeoning cynicism of the 1980s In Ode to Gen X Institutional Cynicism in Stranger Things and 1980s Film author Melissa Vosen Callens explores the parallels between iconic films featuring children and teenagers and the first three seasons of Stranger Things a series about a group of young friends set in 1980s Indiana The text moves beyond the at times non sequitur 1980s Easter eggs to a common underlying narrative Generation X s growing distrust in American institutions Despite Gen X s cynicism toward both informal and formal institutions viewers also see a more positive characteristic of Gen X in these films and series Gen X s fierce independence and ability to rebuild and redefine the family unit despite continued economic hardships Vosen Callens demonstrates how Stranger Things draws on popular 1980s popular culture to pay tribute to Gen X s evolving outlook on three key and interwoven American institutions family economy and government

**China's Soft Power and Higher Education in South Asia** Romi Jain,2021-05-17 This empirical work illuminates how China uses the higher education mechanism in South Asia to advance its national interests and investigates the outcomes for China including both challenges and opportunities Using a soft power theoretical framework this book employs the case study of Nepal a South Asian country of profound

geostrategic value for the two competing powers of China and India. Illustrating how higher education is the mechanism for achieving soft power goals, it draws on data analysis based on archival sources and interviews with China and South Asia experts including academics and politico-bureaucratic elites as well as interviews with Nepalese students and alumni. Importantly though, this book advances an innovative conceptual model of geointellect to trace the evolving dimensions of China's global dominance in higher education research and innovation paradigm especially in the context of the Belt and Road Initiative and ultimately reveals how foreign policy and higher education policy reinforce each other in the context of China. China's Soft Power and Higher Education in South Asia provides an empirically rich resource for students and scholars of education, international relations, Asian studies, and China's soft power.
