EBOOK: Essentials of Economics, 10/e SCHILLER, 2016-03-22 *EBOOK Essentials of Economics 10 e* **EBOOK:**
Advanced Macroeconomics ROMER, 2018-02-22 *EBOOK Advanced Macroeconomics* **EBOOK: Macroeconomics** Rudiger Dornbusch, Stanley Fischer, Richard Startz, 2014-02-16 Dornbusch Fischer and Startz has been a long standing leading intermediate macroeconomic theory text since its introduction in 1978 This revision retains most of the text s traditional features including a middle of the road approach and very current research while updating and simplifying the exposition A balanced approach explains both the potential and limitations of economic policy Macroeconomics employs a model based approach to macroeconomic analysis and demonstrates how various models are connected with the goal of giving students the capacity to analyze current economic issues in the context of an economic frame of reference The only pre requisite continues to be principles of economics **Public Finance, Global Edition** Ted Gayer, HARVEY ROSEN, 2014-01-16 Rosen and Gayer s Public Finance provides the economic tools necessary to analyze government expenditure and tax policies and along the way takes students to the frontiers of current research and policy While the information presented is cutting edge and reflects the work of economists currently active in the field the approach makes the text accessible to undergraduates whose only prior exposure to economics is at the introductory level The authors years of policy experience have convinced them that modern public finance provides a practical and invaluable framework for thinking about policy issues The goal is simple to emphasize the links between sound economics and the analysis of real world policy problems Enhancements and key features for this new Global Edition include New Policy Perspectives introduce relevant and engaging examples of international policy so students can extend their understanding of theory to policymaking across the globe New Empirical Evidence applications provide students with real world examples that are relevant to them from case studies about Sweden and China to global examples that compare experiences between countries Updated end of chapter questions broaden critical thinking encouraging students to apply their knowledge to international and comparative examples The results of econometric models are used to help students understand how expenditure and tax policies affect individual behavior and how governments set policies Integrated theory and analysis Institutional theoretical and empirical material is interwoven to provide students with a clear and coherent view of how government spending and taxation relate to economic theory Current

research is presented alongside discussion of methodological and substantive controversies The approach is modern theoretical and empirical and shared by most active economists Institutional and legal settings are described in detail and the links between economic analysis and current political issues are emphasized This Global Edition has been adapted to meet the needs of courses outside of the United States and does not align with the instructor and student resources available with the US edition
