Following this broader engineering education, some additional groups of students spent at least part of engineering education. These included some international students, some students who returned to military or nonengineering school, some students who went to law or business school, and some students who went to graduate school to continue their education. These students' professional engineering careers were not included, and the data on the career of the engineer in engineering were not included.

It will also create problems administratively since the schools will independently determine how water quality is paid. Some states may have to report that all the water is supplied by treated water, although some 75 suppliers are continuously or occasionally drawing untreated water as well.
