Why You Won't Get Rich Robert Verkaik, 2021-02-09 From the bottom to the top of our economy capitalism is too blunt an instrument to tackle

Britain's epidemic of inequality Soaring rents unfair taxation and a growing gig economy have brought about unprecedented economic shame Amazon warehouse workers living in tents nurses turning to foodbanks London firemen commuting hundreds of miles to work Even those higher up the ladder are losing their grip on the life they were promised Barristers take home less than the minimum wage and doctors are starting out with 100 000 student debts on salaries lower than the national average We're all facing a new economic phenomenon in work poverty At the same time a generation of young professionals is coming to terms with never being able to own even the cheapest home in their area From the bottom to the top of our economy capitalism is too blunt an instrument to tackle Britain's epidemic of inequality Soaring rents unfair taxation and a growing gig economy have brought about unprecedented economic shame Amazon warehouse workers living in tents nurses turning to foodbanks London firemen commuting hundreds of miles to work Even those higher up the ladder are losing their grip on the life they were promised Barristers take home less than the minimum wage and doctors are starting out with 100 000 student debts on salaries lower than the national average We're all facing a new economic phenomenon in work poverty At the same time a generation of young professionals is coming to terms with never being able to own even the cheapest home in their area Hard work no longer pays off But there is hope for a better fairer future

This Means This, This Means That Second Edition Sean Hall, 2012-03-26 Semiotics is the theory of signs and reading signs is a part of everyday life from road signs that point to a destination to smoke that warns of fire to the symbols buried within art and literature Semiotic theory can however appear mysterious and impenetrable This introductory book decodes that mystery using visual examples instead of abstract theory This new edition features an expanded introduction that carefully and clearly presents the world of semiotics before leading into the book's 76 sections of key semiotic concepts Each short section begins with a single image or sign accompanied by a question inviting us to interpret what we are seeing Turning the page we can compare our response with the theory behind the sign and in this way actively engage in creative thinking A fascinating read this book provides practical examples of how meaning is made in contemporary culture **CIM**
