

Historical Worldviews Examined

Aligned to Alberta Curriculum

Grade 8 Social Studies

Written by Ruth Solski, Jane Whitear, and Andrew Gilchrist

Brief Overview

This teacher resource is designed to give students an understanding and appreciation of the issues related to contact between societies with differing worldviews. Inquiry and examination into the elements of these worldviews will give students the chance to reflect upon their own worldviews and consider how their past has influenced their present. Examples of worldviews will come from Japan, Renaissance Europe, and the early Spanish explorations of Aztec societies.

Meeting Your Student's Needs

Depending on the needs of the students in a class, the teacher may want to scan any Teacher Notes into a digital format. By doing this, no matter the reading abilities of your students, they will be able to access the information of the text. When appropriate, teachers are also encouraged to allow students to collaborate on as many activities possible. This allows all students to be successful without modifying the text significantly.

Author Biography

Andrew taught primary and junior classes for the Hastings Prince Edward District School Board in Ontario. He earned his teaching degree with a Teaching Subject qualification in History. He co-authored a series of mathematics programs that focus on fluency skills with basic math operations and fractions. The series, used for children with special education needs, was used for a study with University of Ottawa. Students using the program demonstrated achievements in fluency at twice the rate of regular in-class instruction, allowing them to catch up with peers. The On the Mark catalogue includes over 12 books with Andrew Gilchrist as contributor, co-author or author.
