Educational Policy Borrowing in China Charlene Tan, 2016-02-22 For over a decade Mainland China has been embarking on an ambitious nation wide education reform New Curriculum Reform for its basic education The reform reflects China s propensity to borrow selected educational policies from elsewhere particularly North America and Europe Chinese scholars have used a local proverb the West wind has overpowered the East wind to describe this phenomenon of looking West But what do we mean by educational policy borrowing from the West What are the

educational policies in China's new curriculum reform that are perceived to be borrowed from the West To what extent have the borrowed educational policies in China's new curriculum reform been accepted modified and rejected by the various educational stakeholders How does culture influence the various educational stakeholders in China in interpreting and mediating educational policy borrowing from the West How do the findings of this study on China's education reform inform and add to the existing theories on and approaches to on cross cultural educational policy borrowing This book answers the above questions by critically discussing China's policy borrowing from the West through its current reform for primary and secondary education It presents the latest in depth research findings from a three year empirical study 2013-2015 with school principals teachers students and other educational stakeholders across China This study offers new insights into China's educational policy borrowing from the West and international implications on cross cultural educational transfer for academics policymakers and educators
