Twenty Years of Education Transformation in Gauteng 1994 to 2014 Felix Maringe,Martin Prew,2015-05-05 Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the books chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Educations present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years **X-kit Fet G10 Business Studies** , *Working as Indigenous Archaeologists* George Nicholas,Joe Watkins,2024-09-30 *Working as Indigenous Archaeologists* explores the often contentious relationship between Indigenous and other formerly colonized peoples and Archaeology through their own voices Over the past 35 plus years the once novel field of Indigenous Archaeology has become a relatively familiar part of the archaeological landscape It has been celebrated criticized and analyzed as to its practical and theoretical applications and its political nature No less important are the life stories of its Indigenous practitioners What has brought some of them to become practicing archaeologists or heritage managers What challenges have they faced from both inside and outside their communities And why haven t more pursued Archaeology as a vocation or avocation This volume is a collection of 60 autobiographical chapters by Indigenous archaeologists and heritage specialists from around the world some community based some academic some in other realms who are working to connect past and present in meaningful and especially personal ways As Archaeology continues to evolve there remain strong tensions between an objective science oriented evidentiary based approach to knowing the past and a more subjective relational humanistic approach informed by local values traditional knowledge and holistic perspective While there are no maps for these new territories hearing directly from those Indigenous individuals who have pursued Archaeology reveals the pathways taken Those stories will provide inspiration and confidence for those curious about what lies ahead This is an important volume for anyone interested in the present state and future of the archaeological discipline *The Report: South Africa 2014* Oxford Business

Group,2014-12-08 Indeed since the end of apartheid in 1994 South Africa has become a major diplomatic player both on the African continent as well as further afield Despite the size of South Africa s economy the country currently faces a number of major economic challenges As of the end of July 2014 the unemployment rate was at 25.5% according to data from Statistics South Africa which was among the highest in the world While the government s long term development plans are generally highly regarded delivery and execution has occasionally been problematic While there are major hurdles that must be cleared given the country s strong institutions and the rapid pace of economic expansion over the past two decades South Africa should be able to look forward to 20 more years of peace and steady sustained economic growth *Worlds Elsewhere*

Andrew Dickson,2016-04-05 There are 83 copies of the First Folio in a vault beneath Capitol Hill the world s largest collection Well over 150 Indian movies are based on Shakespeare s plays more than in any other nation If current trends continue there will soon be more high school students reading *The Merchant of Venice* in Mandarin Chinese than in early modern English Why did this happen and how Ranging ambitiously across four continents and 400 years *Worlds Elsewhere* is an eye opening account of how Shakespeare went global Seizing inspiration from the playwright s own fascination with travel foreignness and distant worlds Dickson takes us on an extraordinary journey from *Hamlet* performed by English actors tramping through Poland in the early 1600s to twenty first century Shanghai where Shashibiya survived Mao s Cultural Revolution to become an honored Chinese author En route we visit Nazi Germany where Shakespeare became an unlikely favorite and delve into the history of Bollywood where Shakespearian stories helped give birth to Indian cinema In Johannesburg we discover how Shakespeare was enlisted into the fight to end apartheid In California we encounter him as the most popular playwright of the American frontier Both a cultural history and a literary travelogue the first of its kind *Worlds Elsewhere* explores how Shakespeare became the world s writer and how his works have changed beyond all recognition during the journey
