Michele Ramsey, 2020-03-13 A practical how to guide for students and a powerful reminder of the value of a humanities education In recent decades the humanities have struggled to justify themselves in the American university The costs of attending a four year college have exploded resulting in intense pressure on students to major in STEM science technology engineering and mathematics business and other pre professional or practical majors that supposedly transmit more marketable skills than can be acquired from the humanities But as Laurie Grobman and E Michele Ramsey argue this vision of humanities majors idly pondering the meaning of life for four years is inaccurate Major Decisions demonstrates how choosing a major in the humanities is a worthwhile investment in a global economy that is shifting in the direction of college graduates who think broadly critically and ethically Indeed the core skills and knowledge imparted by an education in the humanities including facility with written and verbal communication collaboration problem solving technological literacy ethics leadership and an understanding of the human impacts of globalization are immensely useful to employers across a variety of sectors Major Decisions serves as a deeply informative guide to students and parents and provides a powerful reminder to employers and university administrators of the true value of an education in the humanities Conceptualizing Mass Violence Navras J. solution could be achieved from mass violence in the global context The volume is essential reading for postgraduate students and scholars from the interdisciplinary fields of Holocaust and Genocide Studies History Political Science Sociology World History Human Rights and Global Studies <u>Israeli-Romanian Relations at the End of the Ceausescu Era</u> Yosef Govrin,2014-02-25 Yosef Govrin was the Israeli Ambassador to Romania in the twilight of the communist era Govrin describes Israeli Romanian relations as he observed them from 1985 to 1989 after which the leader of Romania was deposed
