Jurgen Harten Marcel Broodthaers Attempt:

Attempt to retell the story Jürgen Harten, 2015 The Projekt für eine Abhandlung aller Figuren in drei Teilen Project for a Discourse of all Figures in Three Parts previously unpublished and documented here in facsimile is based on one of the blue school exercise books which Broodthaers worked on from autumn 1970 after moving from Brussels to Düsseldorf Tucked away in each of these originals is an envelope containing a one hundred mark note from which the eagle has been cut out The project recalls the founding of the legendary Musée d'Art Moderne Département des Aigles in 1968 and formulates ideas which Broodthaers would then go on to realise in 1972 in the Kunsthalle in Düsseldorf in the Section des Figures of his institutional fiction Jürgen Harten tells how his cooperation with the artist came about In his essay he also establishes a link to the present since the questions with which Broodthaers confronted us have lost none of their significance Publisher's website
