This entire series has kept me guessing and not being able to put it down because I want to know what's next. Lisa M Amazon Reviewer. Loved this story. The three book series was amazing. There was humor as well as tender moments in each book. Elle Casey is very talented and a great storyteller. Becky T Amazon Reviewer. About this series: I'd never been to New York City before but I knew I would love it and wanted to write a story that was set in the most exciting city in the world. So I hopped on a plane with my friend Susan and spent 5 whirlwind days there soaking up the culture, seeing the sights and nailing down the scenes that would eventually end up in this series. Those of you familiar with New York City know what I'm talking about when I say you just can't beat Russ and Daughters bagels, Central Park, Times Square, Brooklyn and Yonah Schimmels knishes. **Drifters'**

HERE S WHAT READERS ARE SAYING ABOUT WAR OF THE FAE BOOK 3 The one thing I can always count on from author Elle Casey is her uncanny ability to hook a reader into a story or series and tie them relentlessly into the journey of not only the main protagonist but also all supporting characters both good and not so nice The War of the Fae series is perhaps one of the best examples of this magical connection with her readers Casey has created a whole world of characters that you very quickly care very much about

Lisa Ann Reviewer on Goodreads The drama flew through the roof Jayne s powers are growing and the demand on her is insane What I really loved about Call to Arms was the intricacy of the plot and how issues were placed against issues and desires were placed against desires to create a world that did not adhere to a strict and typical diet of paranormal young adult fantasy Jayne is still cracking jokes is still cursing is still making stupid decisions is still relateable still has ulterior motives still is Jayne
