for Nothing? Phil Pringle, 2007-09 Dr Phil Pringle senior pastor of Christian City Church one of Australia's fastest growing churches brings readers back to the cross in his eye opening book *Dead for Nothing* To get back to the cross is to get back to a life a fantastic life based on the death and resurrection of Jesus rather than the efforts of man Dr Pringle gives seven benefits of Jesus death and shows readers how to apply them *PEACE* Phil Pringle, 2016-04-16 Stress pressure anxiety depression rage terror and fear are just a few of the words we hear all the time in society today In the middle of all this we try desperately to seek a restful peaceful calm for our own souls for our families and our world God himself is the peace we seek There is no other source for genuine peace It cannot be counterfeited Jesus the Prince of Peace brings this peace to anyone connected to Him This book is about how we all can have internal peace of the heart mind and spirit **Letters to Next Generation Leaders** Phil Pringle, 2013-12-17 This book is not really my letters to the next generation but rather Paul the Apostle the master architect of the early church writing to his young mentee Timothy I have attempted to simply translate his thoughts verse by verse into our world today to help build new young ministers on the Word of God It is my commentary on 1st 2nd Timothy The Word needs to be the foundation of our ministries Too many have started well yet not lasted the distance As we pattern our leadership on the Word and not just management journals and leadership manuals I am convinced we are all better equipped to face all the challenges of building the eternal church Many also are needing to discover the power of the Word to fulfill their destiny deep within As we live in pathways laid down by the Apostle the same blessing that rested on him will be found on ourselves *Inspired to Pray* Phil Pringle, 2009-04-01 In this powerful and motivating book international pastor Phil Pringle invites readers to activate their spiritual lives by understanding prayer as a journey to the highest places of God He sees prayer as an art a craft to be developed and nurtured Prayer is much more than muttering religious words it is a connection with the God of heaven Himself Too often believers fail to bridge the gap between earth and heaven but active prayer releases the spirit into communion with God in another world His world As readers grow they will draw close to a loving God who desires relationship with all who are made in His image Moreover when we pray in close contact with God we see greater results on earth and in our lives Pringle appeals to the imagination and the soul and all who engage with these visionary teachings will discover a new dimension to the act and the art of prayer Earnings Magic and the Unbalance Sheet Gary Giroux, 2006-03-20 Praise for Earnings Magic and the Unbalance Sheet Gary Giroux brings a breezy entertaining writing style that really helps the reader untangle arcane accounting practices including stock options pensions off balance sheet items and the rest of his dirty thirty Edward Swanson Durst Chair and Professor of Accounting Texas A M University Earnings Magic and the Unbalance Sheet provides equity investors with clear explanations of today's financial environment together with specific analysis tools to assess the quality of earnings Gary Giroux provides a valuable and easy to use scoring system where investors assign grades to help them in their investment decisions Earnings Magic is a must read for any investor in the Dow Jones Industrial Average Dow 30 Giroux thoroughly

YOUR KEY TO EVALUATING A COMPANY'S EARNINGS QUALITY Wouldn't you like to know as much as you could about a company before you invest in it Financial information on companies is readily available but not necessarily easy to interpret With shrewd tips and state of the art analytical tools Earnings Magic and the Unbalance Sheet arms you with the key strategies and principles to help you evaluate whether a company's bottom line is headed toward excellence or financial abuse This eye opening guide expertly walks you through the tangle of potentially inflated earnings and misleading accounting disclosures to determine a company's financial reality Fearonomics Bill Moore, 2011-05-10 In times of economic uncertainty it's easy for people to get scared and become tempted to pull back and conserve instead of moving forward We call this Fearonomics This system of fear based thought believes in all the bad news and tells us that there's not enough to go around that we must hoard all we have in **You The Leader** Phil Pringle, 2013-12-19 You the Leader is a must read for any person who feels called to Leadership in the body of Christ The insight in this book gained from over 30 years of pastoral ministry is practical biblically based and includes thinking in the area of leadership that is revolutionary in today's contemporary church The Born Identity Phil Pringle, Many of us are living with a spiritual kind of amnesia forgetful of who we really are Negative circumstances constantly send us the message that we are far less than what the New Testament declares us to be Often theology has been twisted to conform to the defeated negative thinking of people who are interpreting life and God through their circumstances When we submit to Scripture rather than submit the Scripture to us our identity in Christ comes alive This book is intended to awaken and remind us exactly who we are and what we have in Christ When we enter our battles with clear knowledge of who we are and what we have we will win every time IN HIM Phil Pringle, **Destiny: The Life and Times of a Self-Made Apostle** Peter Lineham, 2013-07-01 a comprehensive balanced and perceptive account Michael Grimshaw NZ Listener This account by Massey University history professor Peter Lineham is fascinating detailed and more nuanced than the media coverage Tamaki attracted Lineham puts the ambitious church in context nationally and internationally Philip Matthews Weekend Press While Destiny Church began in 1998 it rose to notoriety in 2004 with its Enough is Enough march against what it deemed society's declining moral standards Destiny and its leader Brian Tamaki have since become a significant if controversial presence in New Zealand's religious political and Maori worlds But what is Destiny What does it stand for Who are its followers Destiny written by respected commentator Peter Lineham is the first full and independent account of the church and its personnel With unprecedented access to its inner workings including interviews with Bishop Brian Tamaki and other pastors Lineham reveals the truth about the man and the movement addressing the public's questions and fears and delivering a fascinating picture of the organisation on the eve of launching its City of God The Spiritual Turn Galen Watts, 2022-05-10 Increasingly North Americans and Western Europeans identify as spiritual but not religious But what does spirituality actually mean And what does this recent spiritual

turn reveal about the nature of twenty first century liberal democracies Secularization theorists argue that spirituality lacks institutional support and a shared tradition thereby evincing religious decline Meanwhile critical commentators contend that the spiritual turn embodies all of the ills of post 1960s liberal democracies This book challenges these popular misconceptions Combining cultural sociology with intellectual history and political philosophy and drawing from first hand interview and fieldwork data along with discourse analysis of best selling books it shows that rather than reflecting religious decline the spiritual turn marks the rise of an enduring cultural structure in Western modernity the religion of the heart Tracing the religion of the heart to the 1960s *The Spiritual Turn* illuminates its elective affinities with the romantic liberal social imaginary that crystallized in popular consciousness during this era and transformed the institutional spheres of Western liberal democracies eventually giving birth to a new social order romantic liberal modernity Then inspired by the Durkheimian tradition it presents case studies of three sites where the religion of the heart is institutionalized in a specific discursive form a Twelve Step group a neo Pentecostal church and a Toastmasters public speaking club The book concludes that while critics may have reason to disparage both spirituality and romantic liberal modernity more generally the reality is far more complex than their criticisms suggest and more importantly far less hopeless **Faith** Phil Pringle,2010-11-12 You are invited on a journey into faith so that you can live a life of faith It is a journey into God and the fullness of the life He offers As we draw near to God we can come with the full expectation that He will pour faith into our lives Author Phil Pringle reminds us of the vital principle that faith is what God responds to Throughout the Scriptures faith is highlighted as the necessary ingredient for a close relationship with God meaningful service for Him and a fulfilling life If we are on the path of faith then our destination is sure a life saved by the work of Christ the fulfillment of our God given dreams on earth and a joyful eternity with our heavenly Father Let s get started on the journey *The Parable of the Dog* Phil Pringle,2014-06-24 Appearances can be deceptive This is a small book with the cosiest of titles *The Parable of the Dog* and you might assume that it isn t deep Presumably Jesus listeners felt the same when he started to tell parables of straying sons mustard seeds or mugged Samaritans Be warned As with the biblical parables this soothing appearance disguises the sharpest of steel This is an important inspiring and relevant parable that addresses a critical issue in today s church **The Prophetic Pursuit** Chris Kleinsmith,2022-08-01 Everyone has a prophetic destiny The two most powerful days in your life is firstly the day you were born secondly the day you discover why you were born Once you discover your reason this will set you on the trajectory towards the fulfilling of your purpose How do you fulfil your prophetic purpose What are the principles you need to apply What keys do you need to make it happen Where do you go and with whom do you need to connect to see it come to pass This is what this book is about This book is for the person who discovered his reason This book is for those who are ready to journey to the fulfilment of their prophecy In the event you have not discovered the prophetic you you have the right book in your hand As you glean through the pages the Holy Spirit will begin to speak remind and brood on you prophesying your
