Rubin,2015-01-28 Some of the best writings on public budgeting and finance can be found in the journals that ASPA publishes or sponsors For this volume editor Irene Rubin has brought together the best of these articles emerging classics that address the most important theoretical and practical problems underlying public budgeting The anthology is organized topically rather than historically with an effort to delineate the issues needed to understand some of the more recent controversies in the field Rubin s introductory essay and section openers frame the key issues and provide historical context for each article The

collection begins with descriptions of what public budgeting is where it comes from and what it is for It moves on to the relationship between budget processes and outcomes constraints on budgeting the legal context in which it operates and adaptations to those constraints such as contracting out The book concludes with a discussion of the ethics and norms that underlie budgeting in a democracy Throughout the anthology the emphasis is on areas of disagreement and debate so students can get involved and explore different viewpoints *Oxford Textbook of Inpatient Psychiatry* Alvaro

Barrera,Caroline Attard,Rob Chaplin,2019-05-28 Inpatient mental health care is an essential part of community based mental health care in the UK Patients admitted to acute mental health wards are often experiencing high levels of distress and acute mental illness and need to be assessed managed and treated by a wide team of mental health care professionals Inpatient care is often a traumatic experience for patients and their relatives which can define their relationship with mental health care services Reforming inpatient psychiatry is a priority for both patients and staff yet there are few reference texts on this psychiatric specialty The Oxford Textbook of Inpatient Psychiatry bridges this gap by offering a comprehensive and pragmatic guide to the UK s inpatient mental health care system today Written and edited by a multidisciplinary team this innovative resource discusses the real life experiences and challenges of a wide range of professionals working on acute mental health wards Organized into 8 sections this resource covers nursing team leadership multidisciplinary work psychology and medical aspects Individual chapters address key topics such as the management of children and adolescents and contain information on up to date research and best practice Focusing on the dignity and autonomy of patients this unique resource offers a model for clinical and organizational practice both at a national and international level
