

SECTION 1 Measuring Motion continued

The average speed of the dog is:

$$\text{average speed} = \frac{\text{total distance walked}}{\text{total time}} = \frac{7 \text{ m}}{10 \text{ s}} = .07 \text{ m/s}$$

What Is Velocity?

Suppose that two birds leave the same tree at the same time. They both fly at 10 km/h for 5 min, then 5 km/h for 10 min. However, they don't end up in the same place. Why not?

The birds did not end up in the same place because they flew in different directions. Their speeds were the same, but because they flew in different directions, their velocities were different. **Velocity** is the speed of an object and its direction. **53**

The velocity of an object is constant as long as both speed and direction are constant. If a bus driving at 15 m/s south speeds up to 20 m/s south, its velocity changes. If the bus keeps moving at the same speed but changes direction from south to east, its velocity also changes. If the bus brakes to a stop, the velocity of the bus changes again.

The table below shows that velocity is a combination of both the speed of an object and its direction.

Speed	Direction	Velocity
15 m/s	south	15 m/s south
20 m/s	south	20 m/s south
20 m/s	east	20 m/s east
0 m/s	east	0 m/s east

Velocity changes when the speed changes, when the direction changes, or when both speed and direction change. The table below describes various situations in which the velocity changes.

Situation	What changes
Skidding falling leaves and bushes	
Runner going around a turn on a track	direction
Car taking an exit off a highway	speed and direction
Train arriving at a station	speed
Baseball being caught by a catcher	speed
Baseball hit by a batter	
	speed and direction

 READING CHECK

B. Analyze Someone tells you that the velocity of a car is 55 m/s. Is this correct? Explain your answer.

 Say It

Share Experiences Have you ever experienced a change in velocity on an amusement park ride? In pairs, share an experience. Explain how the velocity changed—was it a change in speed, direction, or both?

TAKE A LOOK

B. Identify Fill in the empty boxes in the table.

Measuring Motion Section 1 Interactive Textbook

Answer Key

Jessica J Manson

Measuring Motion Section 1 Interactive Textbook Answer Key:

Yeah, reviewing a ebook **Measuring Motion Section 1 Interactive Textbook Answer Key** could amass your near associates listings. This is just one of the solutions for you to be successful. As understood, execution does not recommend that you have astonishing points.

Comprehending as with ease as promise even more than new will meet the expense of each success. adjacent to, the notice as well as sharpness of this Measuring Motion Section 1 Interactive Textbook Answer Key can be taken as skillfully as picked to act.
